Housing Hopes Up As Bids Taken On 100 Rental Homes

Warn Anxious Veteran Applicants To Avoid Any Premature Actions

Housing hopes took a sudden rise this week with the announcement that applications will be received beginning Monday for tenancy in the 100 rental homes being built under agreement with Central Mortgage and Housing Corporation. Claude Snider has been appointed local administrator and he will open offices in the Bank of Commerce.

Explains Board of Trade Role in Flood Meet

J. Fosbrooke Reports on Misunderstanding at Conference in Penticton

The attitude and action of the Board of Trade delegates at the recent Valley meeting on flood control was explained at a meeting on Monday. J. Fosbrooke submitted the report on behalf of himself and C. J. Howell. Also attending the flood conference in their civic capacities were Board of Trade members Alderman David Howie and Reeve W. Brown, of the Coldstream Municipality.

The action of local delegates resulted in withdrawal of a resolution urging immediate implementation of the Engineers' Report of the subsequent preparation of a resolution demanding measures that adequate flood control generally be forthwith taken. This affair had been the subject of editorial comment in both the Vernon and Penticton newspapers.

Following is Mr. Fosbrooke's report to the Vernon Board of Trade: "Representatives of the Vernon Board of Trade, Mr. C. J. Howell and I attended the above meeting. Two other members of the executive also attended, viz., D. Howie and Mr. Brown. They represented the Council and the Coldstream Municipality respectively. Your expectation that flood control measures would be fully discussed at this meeting, and that a better understanding of the problems and of the interested communities would result.

I was prepared to explain the views of our executive as well as those of the Okanagan Valley committee on lake levels and pollution, as set out in a letter written to me on July 15 by Mr. E. Peters, chairman of that zone.

When the meeting opened, the chairman ruled that no discussion be permitted of the details of the Engineers' Report of 1946. Such discussion would unduly delay the meeting and contribute little towards progress.

This ruling undoubtedly eliminated considerable discussion of technical matters.

Board of Trade

On Wednesday afternoon, the Vernon City Band, under the baton of Bandmaster Herbert Phillips, will entertain the public in the second of a series of summer concerts this evening.

The concert, held two weeks ago, drew a large and appreciative audience and a half of popular class and marches.

Weather permitting, the musical program will commence at 8 o'clock.

Tourists From California, Alaska Like the Okanagan

Although it was pouring rain, Tuesday was a typical tourist day in Vernon—a car from Alaska was parked next to one to a car from California on Barnard Avenue. Whether from Alaska or California, the visitors were loud and long in their praises of the Okanagan.

The southern travellers were Rev. and Mrs. J. A. Hirsch, of Lodi, Calif. They had come about 1,300 miles to enjoy a vacation and attend the local camp meeting of the Church of God. The couple from the north were Mr. and Mrs. J. Zantow, of Ketchikan, Alaska. They were "coming out" after six weeks "down north."

Three Okanagan beauty queens agreed that the Okanagan scenery was "simply beautiful," especially the many lake vistas. Only one criticism was made by Mrs. Zantow, who still preferred the rugged mountains of her northern homeland. Mr. and Mrs. Hirsch, from the land of vineyard and orange groves, had no such personal prejudices—they agreed the apple orchards had the edge in any in-

However, it has been emphasized frequently since construction began early this year that hopeful prospective tenants should restrain their optimism and make no move to give up present accommodation until definitely informed from official quarters that they have been allotted a home, and when it will be ready.

Nothing Definite

All that starts on Monday is receiving of applications from war veterans for rental of a home. These must be considered on a point system set up by C.M.H. for allocation. Decisions will not be made for some time. No official confirmation can be secured of date when the first homes will be completed. Some are expected to be ready this fall.

The point system, used successfully for the past two years in similar rental housing schemes, takes into consideration the war veteran's overseas service, disabilities, number in family and present living conditions.

Rents Not Settled

Rental has not been stated officially. It is expected to be in the neighbourhood of \$35, with variations depending on the type of house. There are eight different styles, some with basements, some without; some with two bedrooms, others with three.

The local administrator, Mr. Snider, is a disabled war veteran with five years' service, one and a half years overseas. Formerly of Brandon, Man., he has become a well-known resident of this city since moving here about 18 months ago. For 15 years he was technical executive with the radio branch of the Manitoba Telephone System and he also worked four years with the engineering department of the Canadian Pacific Railway.

Irene Chorney Tops Voting in Queen Contest

Two weeks from tonight, Thursday, the Queen of Vernon Days for 1948 will be named. For two weeks now, six of Vernon's loveliest girls have been campaigning for this honor. On Wednesday afternoon, Irene Chorney, sponsored by Ernie's Lunch, was still leading her five rivals with a total of 46,000 votes.

The girls get 100 votes for each ticket bought in their favor for an honorary membership in the Vernon Kinsmen Club. In addition to giving 100 votes to the girl of their choice the ticket purchasers have a chance to 15 valuable prizes ranging from an electric refrigerator to five electric irons.

On Wednesday afternoon, Pat Gray, sponsored by Watkin Motors Ltd., was second in the balloting with 36,000 votes. Audrey Dixon, sponsored by Nolan Drug and Book Co. Ltd., had 28,800; Shirley Carey, sponsored by Hudson Bay Co. Ltd., was fourth with 26,400 and Vera Hagel, sponsored by Kal Taxi and Carswell Coach Lines, and Margaret Rees sponsored by the Junior Chamber of Commerce, each had 19,200.

However, the two couples took divergent views of Okanagan highways, largely because they had approached from opposite directions. To the Hirschs, "It was like riding on glass" until they crossed the 49th parallel. Then they lost both front wheel hub caps. "But I certainly don't want to run down Canadian," added Mr. Hirsch.

Should Try Alaskan Roads

Where the Zantows come from there are just 25 miles of road; 10 one way out of Ketchikan and nine the other way. "And they didn't even keep those up," they shipped their car to Prince Rupert and drove down from there. "The Like Okanagan"

The Tall and the Short of U.S. Olympic Team

Olympic Hi-Low are these members of the American team which will compete at the Games in London. At left is Joe DePietro of Paterson, N.J., four-foot, eight-inch weight lifter, and at right is Bob Kurland, seven foot member of the U.S. cage team from Bartlesville, Okla.

New Hospital Beats Work Schedule By Two Months

Expect Last of 1,100 Truck Loads Concrete to Be Poured Next Week

Concrete structural work on the new Vernon Jubilee Hospital is expected to be finished next week, almost two months ahead of schedule. A special visitors' day is in prospect to celebrate the auspicious progress, said Frank F. Becker, chairman of the building committee, on Tuesday.

Pouring the final walls, those enclosing the fourth storey, was scheduled to begin this morning, Thursday. Forms are expected ready for laying the last concrete slab on the roof next Wednesday or Thursday.

On June 1 Arvid Christanson, superintendent of construction, said progress was about a month ahead of the schedule he had set for himself when work began early in the year. Also in June he looked forward to the roof slab being finished by the end of August. It will be in place closer to the first of the month. This puts him two months ahead of his original schedule.

1,100 Truckloads of Cement

The city engineering department has mixed and supplied the 4,000 tons of concrete required for the structure. This amounts to about 1,100 truck loads. The floors and walls also contain about 100 tons of structural steel. The reinforcing steel rods would stretch for 41 miles if laid end to end.

A wooden roof will be placed over the concrete slab covering and this is expected to be completed by September 1, said Mr. Becker. The windows likely will be in place by October 15. Then the heating system will keep the building warm for inside work during the winter.

The building committee hopes to let tenders within the next month for setting all the tile partitions and for plastering. Mr. Becker pointed out that local tenders are invited for this work.

The Hospital Board looks forward with greater confidence than a year ago that the problem of New Hospital

(Continued on Page 4, Col. 7)

Checks Belgian Investment Here

For the first time since the 200-acre estate of Vernon Orchards Co. was purchased by a Belgian family 35 years ago, a representative has come from Belgium to inspect the property, check on its progress and plan its future development. He is Serge Holvoet, an Antwerp, a graduate agronomist and real estate man retained by the company as technical advisor.

A young man, he arrived in Vernon after 42 hours flying time from Brussels to Penticton. He expects to leave again this weekend.

Narrow Gap in Workers', Shippers' Wage Dispute

All Is Forgiven—

Insults of a Year Ago Now Turn To Praise for Vernon

A year ago S. P. Ricketts, of Vancouver, called Vernon a "village" and its residents "caterpillars" after an unpleasant Police Court experience. On Friday he was back for the first time since, and advised The Vernon News that all was forgiven and that he congratulated the city on its progress during his absence.

The trouble began when the Coast business man was "picked up" for exceeding the 15-mile an hour speed limit through the school zone on Mara Street. In a spirited self-defence before Magistrate William Morley he said the warning sign was not high enough to be noticed and was almost covered by weeds and grass. When convicted and fined \$10 and costs—the first such "insult" in 40 years' driving—he "slapped his money down on the table" and said it was "the last \$10 he would ever spend in this place."

Money Well Spent

"It's a wonder I got out of there without being charged with contempt of court," he joked last week. "I can enjoy the joke now, but I was pretty hot then."

"I think my \$10 was well spent, though," he added, "if it had anything to do with the fine new street signs I see on every corner."

A year ago he wrote a "Letter to the Editor" following his brush with the law, saying the "Village of Vernon" was "still in the horse and buggy days" with not a street marked nor a "village boundary" identified. "Raise your sights," he urged, "Some are designed to be pillars of society, while others are caterpillars."

Better Than Edmonton

Last week he remarked on the excellent street numbering, but when he saw the numbers running into the 30's and 40's he wondered where it began—"At the shore of Kalamalka Lake?" When the system was explained he agreed, "It is not as bad as Edmonton, where they start at the Rocky Mountains."

And about never spending another cent in this city, "Well, a fellow can always change his mind on these things," and Mr. Ricketts said he had.

60,000 Future Breakfast Snacks in City Fish Pond

Game Club, Rotary Club, Parks Board Co-operate in New Rearing Pond Plan

One tasty Kamloops trout that someday may grace the breakfast table of a local fisherman was dumped along with 59,999 small fry just like it into the newly constructed fish rearing pond at Polson Park on Saturday afternoon. A project of the Vernon and District Fish, Game and Forest Protective Association, through co-operation with the City Parks Board and the Rotary Club parks committee, the rearing pond will be used to raise trout to plant in district lakes each season.

The 60,000 Kamloops trout were brought from the Beaver Lake fish hatchery by Frank B. Lucas, fishery officer there; Sam Lee, assistant, and Forbes Boyd, U.B.C. student working in game management. Taking part in the ceremonies were Bob Carswell, Jr., president of the local game club; Alderman D. D. Harris, chairman of the parks committee; F. G. deWolf, city engineer, and H. H. Evans, of the Rotary Club. Other game club officials were in attendance.

"Artificial Respiration"

The fish were brought down from the Beaver Lake hatchery in distribution cans in the back of a light delivery truck. During the hour and a half journey, stops were made from time to time and the cans were juggled around to aerate the fish so that they would not starve from lack of oxygen. These distribution cans hold about 15 gallons and nine of them contained the 60,000 fish.

The pool is in the section of the park developed by the Rotary Club. It is 360 feet long, 80 feet wide at one end and 60 feet at the other. The water is four feet deep at the west end and two and a half feet at the other.

The fish will feed on the natural food in the pond until spring when they are liberated after eight or nine months. When the pond is emptied of fish, every one must be taken out. If there is a lack of food in the pond the fish rearing would likely become cannibal and feed on the small fish put in.

Mr. Lucas described the game club's rearing pond as a "tremendous asset to this district" and a "great activity. When the project is finished it will be one of the best things this club has ever done."

The average size of the fish eggs run about 290 to the ounce, said Mr. Lucas, but eggs from Oyanama Lake are about 230 to the ounce. The fish distributed in the pond on Saturday afternoon were about three weeks old, that is since hatched.

While the fish pond is finished in construction as far as its actual purpose is concerned, grass will be sown and the area beautified.

For various reasons, the pool has been drained so many times that it is now short on natural food such as bug life. However, members of the game club will keep the fish in shape by feeding them ground liver and congealed blood from a slaughterhouse. On Monday night, Mr. Carswell fed them two pounds of liver and he reports that they were all doing well at that time.

The ultimate permanent capacity of this rearing pool will be between 400,000 and 500,000 fish. This should do much to assist fishing in district lakes in the near future.

Interviewed by The Vernon News.

Mr. Holvoet had never seen an irrigation system, and his thorough studies included a trip up to the source at Aberdeen Lake. "We went up in a truck, shaking like a cocktail."

He is conducting his survey with Douglas Glover, manager of Vernon Orchards since 1946. For the previous 33 years, Paul McGuen had been manager, and he is still resident director. The most outstanding difference

Less Than One Cent Difference Between Request, Offer for Basic Hourly Wage

Packinghouse workers and their employers now stand less than one cent an hour apart in one respect in the current wage dispute. Union leaders agreed to accept a nine per cent increase. The Industry Labor Negotiating committee offered six cents per hour to men and five to women.

The union's nine per cent demand equals 6½ cents on the present basic wage for men, against the six cents offered, and 5½ cents against the five offered for women. The gap widens, of course, when the percentage is figured on wages of those receiving more than the basic rate. The industry offer for piece work was a five per cent increase, vs. the union's nine.

Union and industry committees met Tuesday, and after an eight hour conference extending past midnight, came to no agreement. Spokesmen for both parties reported Wednesday they had gone as far as they could go, and both suggested they had even stretched beyond what the broad base of membership had authorized.

Both Offer Compromise

For the packinghouse union it was a drop from 12½ per cent to nine per cent. Last week the workers had voted 83 per cent in favor of a strike if they could not get the 12½ per cent increase. Their original demand was 25 per cent. The final figure was that recommended by the B.C. government's Industrial Labor Relations Board.

"It is impossible to go below the figure ruled by the supreme government body," said William Sands, union representative.

The industry had raised its previous offer slightly over two cents per hour for men and just under two cents for women on the basic wage. Originally, the industry and grower had said no raise was possible. Later they agreed to offer a five per cent increase.

Hold Firm

"For the first time in quite a few years, the old spirit of 1932 was present," said L. R. Stephens, secretary of the Industry Labor Negotiating committee, referring to a conference of B.C.F.P.A. representatives with the committee on Tuesday before the meeting with the union. "The spirit seemed to be, 'It is time to dig our toes in and stand firm.' You could just feel it."

Both parties to the wage dispute did come to agreement on studying the recent proposal that wages be tied to returns from the sale of fruit, said Mr. Stephens. The plan is to set up a committee composed of an independent chairman and equal representation from employers and workers.

Fruit Workers

Scout Hall Fire

(Continued on Page 4, Col. 6)

Blaze Noticed in Nick of Time By Women Waiting For Last Guide to Report

A tardy person was indirectly responsible for saving the Scout Hall from worse damage than occurred in the fire on Friday night. No official estimate is yet available, but repairs may cost somewhere around \$2,000.

The alarm was turned in about 10 p.m. by Mrs. Charles McDowell who was waiting by the Scout Hall with Mrs. W. D. McTaggart for the last person to bring in her supplies for the Girl Guide camp starting Saturday. They had been in the hall all evening checking in food and duffel bags brought down by the Guides. It was chilly in the hall, so finally they went out and sat in a car by the curb. They happened to leave the door to the building open.

"We were just wishing the last person would show up so we could go home when we noticed sparks falling from the ceiling inside the hall," said Mrs. McTaggart.

In the excitement Mrs. McDowell could not immediately locate a fire alarm box so rushed to the Kal Tax office nearby where the alarm was phoned in. Mrs. McTaggart's main worry at the time was to get the Guides' supplies out of the burning building. As the crowd gathered she formed a "chain gang" and the bags and boxes, lying in the hall close to the falling fire, were passed out onto the lawn.

Scout Hall Fire

Stores Begin To Adopt Slab Happy Look; Citizens Urged to "Doll Up"

The real Vernon Days' spirit of the Old West will begin to pervade the city this weekend as stores start transformation to the slabbed fronts of pioneer days. Already bearded men have achieved authentic imitation of the frontiersmen they emulate. As all citizens, male and female, adopt costume in keeping with the gay nineties, this city will be fully prepared for the "big blow-out" on August 11 and 12.

Those dates are just two weeks away and Vernon Kinsmen urge citizens and business men to start now adopting the manner and the mode of their 11th annual old time "shindig."

Don Berry, Vernon Days' manager, points out that the Kinsmen are making an extra effort this year to give everyone more fun for his money, but all the work of the many Kinsmen "let themselves go" and join in the spirit of the celebration. Incidentally, he adds, it's a natural for tourist attraction, too.

Free Slabs and Nails

Slabs for store fronts will be available from today on. They will be supplied free—and nails, too, also free. Stock piles of slabs will be arranged at convenient places in the business section, or a supply can be had by phoning Neil and Neil, Ltd. Nails can be secured during or after ordinary business hours at Ernie's Lunch.

Sparked by the ingenuity of Frank Becker, "Special Events" will add novelty, entertainment and amusement never before featured in Vernon Days. For example, a merry-go-round, electric train and real live Shetland ponies have been secured for children attending the carnival in front of the Vernon Civic Arena each night.

The Kinsmen sponsored bugle band will make its first post-war public appearance, along with the colorful McIntosh Girls' Pipe Band and the excellent Vernon City Band. These aggregations will be featured in the parades each evening beginning at 6:30.

Complete Stampede

Six new launching chutes and a new holding corral at the Kinsmen track will speed the bouts of man and horse.

Vernon News

On Move During Next Two Weeks

Publishing Dates Change For Next Two Issues In Switch to New Building

In an endeavor to maintain as nearly full services as possible to the public during the period of moving offices and plant into new quarters, The Vernon News announces revised publishing dates for the next two issues.

These editions will be published under the normal schedule on August 5 and 12. To allow additional time for moving, next week's paper will be published on Wednesday morning, August 4, and the succeeding number on Friday morning, August 13.

Normal office hours will be maintained except for one half-day period. Business of this firm will be conducted in the premises on 32nd Street until Friday at 5 o'clock, August 7. On the following Monday, August 8, the new building at 3303 Tronson Avenue will be occupied and opened. Phone numbers will remain the same; call 34 for offices and plant and 42 for editorial.

The general contractor for the new home of The Vernon News on Tronson Avenue, Paul DeBono, said this week that the building will be ready for occupancy on August 4. Finish work is now practically all completed on what is a thoroughly modern small newspaper and

Game Club President Views Fish Conservation Problem

There was probably no happier man in Vernon on Saturday afternoon than Bob Carswell, Jr., president of the Vernon and District Fish, Game and Forest Protective Association, who realized a long ambition when 60,000 three weeks old fish were dumped from distribution cans into the fish rearing pond in Polson Park.

Many sportsmen in the district have expressed concern over the state of fishing in the district lakes and they have sought methods to alleviate the problem. The game club's rearing ponds in the park are one such means. In the following story Mr. Carswell gives his opinion of the situation.

Valuable Aid

He states with all the lakes in the Vernon area short on trout and abundant with coarse fish, the rearing ponds are a long-felt want. This does not imply that the rearing ponds "are going to cure the poor fishing, but they are only an additional factor in helping the situation."

Mr. Carswell feels that "dozens of such projects" are required in the interior. His opinion so far as the Okanagan Valley is concerned is "that every creek that trout inhabit to spawn in sufficient numbers should have a fish trap installed, the fish eggs collected and hatched at the Summerland Hatchery and the fry planted in rearing ponds for at least a year before liberation."

A few of these creeks where traps could be installed are the Coldstream, the BX, the Bessette at Lumby, and Six Mile and Whitman's Creek on the west side of Okanagan Lake. When the fish were stripped of eggs they could then be returned to the lakes.

Trapping, Stripping Best

"While natural spawning is very desirable it is the opinion of many that trapping and stripping would be much more profitable, a closer check could be kept on the lake and more scientific data could be had than by natural spawning. In natural spawning the loss of parent fish is so great through illegal gaffing and killing by other means that fish traps seem desirable."

The game club president named the Aberdeen Lake area as one of the few spots where conservation could be practiced to a large degree. "The results which could be obtained are really remarkable." The lakes in this district are part of the irrigation system of the V.I.D. and many thousands of trout inhabit the lakes and streams. When the water gates are closed the creeks dry up and many hundreds, perhaps thousands of trout which range up to one pound in size, are destroyed.

"Through co-operation with the V.I.D. management, the Vernon Fish and Game Association propose to haul thousands of these trout out for planting in other lakes. This will further greatly improve our fishing."

Mr. Carswell also states: "A good 65 per cent of all holiday makers, both Canadian and American, travel to our valley, over our bad roads to either hunt or fish or both. As long as we enjoy good fishing, we shall also enjoy a continued good flow of American and Canadian dollars to our valley."

The Vernon and District Fish, Game and Forest Protective Association requests that all citizens obey the game laws and support all efforts of conservation sponsored by that organization.

Game Club Wants Swan Lake Made Game Sanctuary

At an executive meeting of the Vernon and District Fish, Game and Forest Protective Association last week, an outline was given of the possibilities of making Swan Lake a game sanctuary. J. A. Munro, of Okanagan Landing, chief migratory officer for B.C., presented a brief outline of his studies during the past 26 years.

Mr. Munro stated the lake abounds in food for waterfowl, in fact it is the second best in Southern B.C. It was also mentioned that the proposed sanctuary would improve duck shooting in this area. Plans are now under way to obtain the consent of nearby landowners.

The executive also discussed the transportation of fish from one of the nearby lake chains for use in restocking. A tank for the fish has been obtained and only approval of the Game Commission is awaited. It is hoped to institute some method of tagging the fish so their growth and movements may be recorded.

Dr. F. M. Clements, of the University of B.C. staff, during a visit to this city last week approved the plan and examined two of the fish from the area. He stated that they were in good shape and that no danger of infection was present.

Vernon Tennis Team Loses to Okanagan Centre

Playing their second tournament of the season, the Vernon Country Club tennis team dropped a close decision to the Okanagan Centre team on the Centre courts on Sunday afternoon. The Vernon team drew an even split in the women's doubles and the mixed doubles, but won only one match to the Centre's three in the men's doubles, losing the tournament seven to nine.

In the women's doubles, the Vernon team of Miss Maureen Trehearne and Miss Mildred Anderson defeated Mrs. Vern Slater and Mrs. E. Gleed 6-2, 6-4, but lost to Mrs. Cliff Fallow and Mrs. S. Hare 6-0, 6-4. In the other women's doubles bracket the local team of Miss Joan Husband and Miss Pat Gray lost to Mrs. Fallow and Mrs. Hare in total games, losing the first set 1-6 and winning the second 6-5. They reversed the decision in the second match against Mrs. Gleed and Mrs. Slater, losing the first set 6-3, but winning the second 6-1 to take the match.

Men's Doubles
In the men's doubles, the Vernon team of Gene Homer-Dixon and Bill Koshman won the locals' only victory, defeating Vern Slater and Bernard Baker 6-1, 6-4. They were edged by the Centre team of Cliff Fallow and Harry Van Ackeran 6-4, 6-5 and the team of Ellis Lindsay and Tom Marion lost both their matches to Slater and Baker, 6-0, 6-0, and to Fallow and Van Ackeran 6-1, 6-2.

Mixed Doubles
In the mixed doubles the victories were split at four matches each with Homer-Dixon and Miss Husband teaming up to defeat Mr. and Mrs. Fallow 6-1, 6-4 and Mrs. Hare and Slater 6-0, 6-1, while Miss Gray and Koshman lost to Mrs. Hare and Slater 6-4, 6-2 and were edged by Mr. and Mrs. Fallow 6-4, 6-5. The local team of Miss Trehearne and Lindsay dropped one set in each match, but wound up on the right end of a total game count, defeating Mrs. Slater and Baker 6-4, 6-0, and Mrs. Green and Van Ackeran 6-2, 4-6. Miss Anderson and Mr. Marion dropped both their matches, to Mrs. Gleed and Van Ackeran 6-3, 6-1, and to Mrs. Slater and Baker 2-6, 4-1.

Tigers Win Tenth Straight Via 19-7 Defeat of Aces

The Vernon Tigers boxla club had no difficulty in wrapping up their tenth straight win and the eleventh out of the season's dozen at the arena on Friday night. A 19-goal blitzkrieg swamped the Salmon Arm Aces' seven-goal effort like a tidal wave and the Tigers again stretched their league leading margin to a luxurious ten points. For all practical purposes, Burnie Feedham's crew has sewed up first place in the league.

The uncanny lacrosse ability of Sarge Sammartino was again the feature of the game. Before the evening ended he had picked up nine goals and three assists for what must be an Interior League record of scoring points, in one game. He seems possessed of a wizardry that can blink that red light at will. A flick of his stick to intercept an opposition pass or to receive a team-mate's ball, and the light goes on.

Salmon Arm seemed powerless against the onslaught of Tiger goals and passing attacks. At the end of the first half the score was 15-1 for the Tigers and at the close of the third quarter it was 17-2. In the last canto, the Tigers rested on their laurels and were outscored five to two.

Sarge Sammartino and Stan Mills made a smooth working combination as Mills had three goals and three assists. Don Thomson played his commendable steady game and with his accurate shooting fired four lovely goals.

Newcomers Look Good

The Tigers were without the services of Boonie Sammartino, Bob Monohan and Walt Caryk. Rolly Sammartino was a spectator after the second quarter. Relative newcomers on the squad, Ed Mable, Jim Johnson and Bob Prentice, were played instead and they looked good in action. Meb Vye was back after an injury layoff as were Don Thompson.

Howard Morton, of Salmon Arm, and Audley File, of Armstrong, handled the refereeing. They had everything under control at all times and penalties were few.

In team scoring point totals, Sarge Sammartino has taken an eight point lead with 34 goals and ten assists, for 44 points. This would be an amazing average if it was amassed during the whole season. What can it be called when the player has made it in five games? Roy Beech is next in line with 36 points, Don Thompson has 23 and Stan Mills, 20.

Kamloops Klippers Hold Second Place In Lacrosse League

A look at the Interior Lacrosse League standings this week sees the Kamloops Royal Klippers leading second place, six points behind the front ranking Vernon Tigers and four points up on third place Kelowna Bruins. However, the Klippers have played two more games than the Tigers and three more than the Bruins.

Kamloops gained two victories in the week's schedule. On Saturday night on their home court they surprised Kelowna with a 12-10 win although they were outshot 40-36. Kamloops led all the way. On Tuesday night the Klippers scored nine goals in the third quarter to gain a 14-7 victory over

the Armstrong Eagles who were pushed further into the cellar. The Tigers' scheduled game at Salmon Arm Tuesday was postponed due to rain.

Following are the league standings up to today, Thursday:

Team	GP	W	L	G	A	Pts
Vernon	12	11	1	165	97	22
Kamloops	14	8	6	154	146	16
Kelowna	11	6	5	123	116	12
Salmon Arm	11	3	8	86	117	6
Armstrong	12	2	10	90	140	4

Warlike uses for tin plate included the packaging of such items as aircraft engines, 75 millimeter shells and storage batteries. These "cans" provided essential protection against corrosion, climate and rough handling.

New methods of rice-growing, using less water, have been successfully used by Australian growers in New South Wales.

MOVING

Is a Big Job

On August 5, we will start moving to our new building at 3303 Tronson Ave. We think that we have the job organized so as to avoid any interruption in the normal schedule of business. To allow us more time to get set up we have changed our next two publishing dates from

Thursday, August 5
to Wednesday, August 4
and
Thursday, August 12
to Friday, August 13

Business office will remain open at our present location until 5 p.m. Friday, August 6. The new office will open for business 9 a.m., August 9.

The Address Is Now 3303 Tronson Avenue

Telephones are still: Office 34, Editorial 82.

Call to Wage Compromise Issued by Government to Fruit Workers, Shippers

Following several days of intensive investigation, during which time many growers, packers, shippers and people generally employed in the fruit industry were interviewed, Col. McGregor McIntosh and George A. Wilkinson of the government Labor Relations Board for B.C. have issued the following statement on the current wage dispute in the fruit industry. It advocates a nine per cent wage increase and investigation of a "formula" tying wages to "ability to pay." The union accepted both recommendations; the shippers only the latter.

"The Labor Relations Board is keenly aware of the distress that a strike in the fruit industry would cause the entire population of the Okanagan Valley. The results of such action, however, would not be confined to Valley residents alone. The entire economic condition of British Columbia would be adversely affected and the results of such a tie-up would be far-reaching.

No One to Blame

"Discussions with the parties concerned have shown very clearly that neither side in the dispute desires a tie-up. No one can criticize the union's efforts to better the condition of its membership, nor the employers' attempts to keep wages at a level that will allow them a reasonable return on their investments. This is the pre-

rogative of employees and the employer and as long as both parties conduct themselves in accordance with established practices of genuine collective bargaining as provided for in the Industrial Conciliation and Arbitration Act of British Columbia, the general public are assured that their interests will not be forgotten.

"After carefully scrutinizing and considering the reports of investigation officers who have investigated the matter, together with the findings of the Conciliation Board that recently made a thorough and exhaustive search of all pertinent factors, the Labor Relations Board members are making certain recommendations to the employers representatives and the union.

"Ability to Pay" Formula

"We realize that the employees in the fruit industry are as keenly interested in a satisfactory solution as are the employers, but we recognize the need for a formula governing wages that will provide decent standards for the workers and reasonable returns for the employers. The needed formula, to be workable, must be based primarily on 'ability to pay' and we believe there is ample intelligence on both sides to collectively work out an agreement that will be satisfactory to the vast majority of employers and employees affected.

"We recommend that an immediate increase of 9 per cent be granted, retroactive to May 1, 1948, with a basic minimum labor rate of 82 cents per hour for males and 66 cents per hour for females. We further recommend that in addition to the granting of the increase and the immediate setting up of the formula committee that article 13 of the existing agreement, the duration of agreement clause be re-worded so that its meaning is clear and readily understandable."

Vernon Days

(Continued from Page One)

versus beast at the stampede on Wednesday and Thursday afternoons. It also will allow addition of new wild west contests to give the Vernon show all the thrills and entertainment of the most complete rodeo. Both contestants and spectators are assured of fully efficient operation under the management of veteran promoter Nick Melnick.

Special incentive for businessmen and citizens to build up the biggest parade in the city's history is given in the theme set for the Thursday night street revue: sport, novelty and pioneer days. Commercial floats will be judged and awarded prizes in these three classifications. In addition, there will be individual prizes for the best dressed woman, best dressed man and best dressed couple.

Free Ice Cream for Kiddies

The Kiddies' parade, on August 11, offers every child up to and including 15 years of age a chance at 16 cash prizes. There are separate classes for boys and girls and those from nine to 15. Entries will be classified into four sections: pets, costumes, vehicles and comics. Every contestant will receive free ice cream. Children should be registered for the parade at Mc & Mc's, Campbell Brothers or Nolan Drug Store.

Still more prizes are offered—15 grand household articles—to be won in the honorary membership drive in connection with the sale of tickets for the Queen contest. Each ticket purchased entitles the holder to cast 100 votes for his favorite Vernon beauty, and to a chance in the draw for the 15 prizes.

Last, but not least, are the carnival and dances each evening at the Vernon Civic Arena. There will be a thousand and one chances on the many games and contests at the open air carnival. Inside the arena gaiety will prevail into the morning hours as old time and modern dancing is enjoyed.

A new feature to the Vernon Days entertainment program at the stampede at the Kln race track will be the two mile bicycle marathon. Boys and girls, aged 16 and under, can enter this event which will take place on the Wednesday afternoon. Entry forms can be secured at the Vernon Days' office.

Scout Hall Fire

(Continued from Page One)

Firemen, under the Acting Chief H. Kaufman, found difficulty getting to the seat of the fire in the attic because of smoke. The blaze apparently was started from an electric wiring defect. It spread among the shavings insulating the ceiling. Firemen donned gas masks to fight their way through the smoke. Then a hole was chopped in the roof to ventilate the attic and the crew was able to subdue the blaze.

"It was caught at an opportune time," said Acting Chief Kaufman. "If it had been another hour it would have been pretty well away."

Only that day city workmen had begun renovations to the building necessary to keep it from being condemned. Trestles had been built for work on the ceiling. As Mrs. McDowell and Mrs. McTaggart had been waiting around, "We were congratulating ourselves that something finally was being done to improve the hall," said Mrs. McTaggart. The first indication that the building even then was on fire did not come until later, when they were out in the car.

Just Decided on Repairs

Negotiations for financing the Scout Hall improvements had been going on for two or three months between the Scout Hall committee, the City Council and the School Board. They had only been concluded the previous Monday, with the Scout Association donating \$500 and the City agreeing to pay around \$1,100 for the repairs.

At that time fire insurance was mentioned. City Clerk J. W. Wright assured the Council the City carried insurance on the building. The adjuster was in Vernon this week preparing his report. Additional repairs now required after the fire will be carried out along with the other renovations.

One of the first large blast furnaces in America was completed in 1872. It was named "Lacey" for Andrew Carnegie's sister-in-law.

financing the \$150,000 increase in costs can be solved satisfactorily without unduly delaying completion of the structure.

Mr. Christianson has been in the construction business since he left the farm as a youth 42 years ago. He worked as carpenter foreman on two Woodward stores, a Hudson Bay Co. store, the Marine Building and the new Spencer's store at the Coast. He was in charge of equipment rigging for the construction of the second Hotel Vancouver.

Like Okanagan

(Continued from Page One)

roads were a lot better than we had been looking for, considering the small amount of settlement," said Mr. Zantow. "They should go into Alaska and see how they keep the roads up there," added his wife.

Another thing Canadians and Americans would learn, if they went to the Ketchikan area, is that the climate is milder than down here. On the coldest day in the past six years the thermometer only sank to 16 above.—It's the Japanese Current.—When there is ice, school is dismissed so the children can enjoy skating. Mrs. Zantow said she felt the cold weather here on Tuesday morning worse than in Alaska. Furthermore she would much rather live in Alaska than California. They had heard about the Okan-

VERNON IRRIGATION DISTRICT

Applications are sought for the combined position of Manager, Engineer, Assessor, and Secretary for the Vernon Irrigation District. A sound knowledge of hydraulics, as applying to pipe lines, flumes and small canals, as well as executive ability, are essential qualifications. Preference will be given to a civil, mechanical or electrical engineer. Applications will be considered confidential, and received until August 16th, 1948. Duties to be commenced about September 15th, 1948. State salary expected. Further particulars may be obtained from the Chairman of the Trustees, Vernon, B.C.

Mr. and Mrs. Clifton Reynolds returned to Vernon on Sunday after spending a week's vacation in Vancouver and Victoria.

Bessie, of Vancouver, arrived in Vernon Tuesday and is spending several days visiting friends here.

Mr. and Mrs. Allan Coe and their small daughter, of Bellingham, Wash., are visiting at the home of Mrs. Mauch's parents, Rev. and Mrs. H. Meyers, in this city.

Mr. and Mrs. E. R. Dicks and their young daughter returned to Vernon on Wednesday of last week from Vancouver where they spent a few days on business.

Mr. and Mrs. W. H. Johnson and their daughter, Joan, returned to their home in Vernon on Monday from Vancouver where they spent a week's vacation.

Mr. and Mrs. Frederic Richards and Kathrynne and Brenda, of Copper Mountain, are visiting at the Okanagan Lake home of Mrs. Richard's parents, Mr. and Mrs. B. B. Hodgson.

Mrs. C. J. Hurnmuss and her daughter, Tania, of Victoria, arrived in Vernon on Tuesday and will spend a few days visiting her brother-in-law, Jeff Hurnmuss, and friends, in this city.

Mr. and Mrs. J. B. Bourcet, of Lumby, had as their guests recently Mr. and Mrs. Albert Guichard and Mrs. Wilbur Thompson and her daughter, Jessie, all of Merced, California.

Mr. and Mrs. Harry Sherdawn and their two young daughters, Karen and Janice, of Prince Rupert, recently visited Mr. Sherdawn's mother in Armstrong and at the Vernon homes of Mrs. D. A. McBride and Mrs. W. E. Tyler and with other local friends. Mrs. Sherdawn, nee Susan Lawes, formerly resided in Vernon.

Mr. and Mrs. Cecil Clark and Mr. and Mrs. Reid Clarke travelled to Kelowna on Sunday where they attended the official opening of the new Kelowna Tennis Club. Mr. Clark and Mr. Clarke were representatives from the Vernon Country Club at the opening ceremonies.

Jimmy Kwong will return to Vernon today, Thursday, from Calgary, Alta., where he spent a few days on business.

Miss Yvonne Griffiths returned to her home in Vernon on Monday from Vancouver where she spent a week's vacation.

John Kurbis recently returned to this city from Saskatoon, Sask., where he spent two weeks visiting his sister, Mrs. Ray Howlebo.

Howard DeBeck, who is employed at a survey camp at Osoyoos, spent the weekend visiting his mother, Mrs. H. C. DeBeck, in this city.

Mr. and Mrs. A. Berner returned to their home in this city on Monday from Vancouver and Victoria, where Mr. Berner spent several days on business.

Mrs. G. Greenwood, of Edmonton, Alta., is a guest at the home of Mr. and Mrs. A. E. Berry, in this city. Mrs. Greenwood is a former resident of Vernon.

Miss Lucille Auger, of Three Rivers, Que., arrived in Vernon last week and is spending 10 days visiting at the Vernon home of Mr. and Mrs. J. P. Simpson.

Mrs. Ferne Rhodes, of Seattle, Wash., arrived in Vernon Monday and is spending a week's vacation at the home of her brother-in-law and sister, Mr. and Mrs. W. M. Gould.

Miss Madeline Megaw, R.N., of Vancouver, arrived in Vernon on Monday to spend a month's vacation at the home of her parents, Mr. and Mrs. W. E. Megaw, in this city.

Mr. and Mrs. D. W. Anderson, of Vancouver, are spending two weeks' vacation visiting at the Okanagan Lake home of the latter's brother-in-law and sister, Mr. and Mrs. Lisle Edwards.

Mrs. Ivan Cruickshank and her young son, Jeffrey, of Lulu Island, left Vernon on Friday after spending two weeks visiting at the home of her parents, Mr. and Mrs. David Butler, in this city.

Mrs. Jack Chapman and her two children, Joan and Robbie, of Victoria, are spending a month's vacation at the home of Mrs. Chapman's brother-in-law and sister, Mr. and Mrs. R. A. Lawson, in this city.

Guests at the home of Mr. and Mrs. E. F. McDonald for several days last week were Mr. and Mrs. W. R. Gazzard, of Victoria. They left on Monday to continue their holiday with friends at Salmon Arm.

Miss Frances Doherty, accompanied by her brother-in-law, Harry Slade, of Powell River, who spent a week visiting at her home in this city, flew to Vancouver on Saturday where Miss Doherty will spend a week's vacation.

Mrs. Martyn F. Costerton, of Revelstoke, spent last week visiting at the home of her sister, Miss Frances Doherty, in this city. Also a guest at the home of Miss Doherty is another sister, Mrs. Harry Slade, of Powell River.

Mrs. A. H. Sovereign, of Peace River, Alta., arrived in Vernon last week to visit her mother, Mrs. Price Ellison. She was accompanied by her sister, Mrs. H. C. DeBeck, of this city, who travelled to Peace River to meet her.

G. D. Clippingdale, of Vancouver, was in Vernon during the past week visiting his brother-in-law and sister, Mr. and Mrs. J. Morrice. He left Wednesday for Grand Coulee, but planned to return to this city for a few days before going back to the Coast.

Mr. and Mrs. C. D. Offenbacher left Vernon on Friday for San Francisco and Los Angeles, Calif., on route to their home in Evanston, Ill. While in Vernon they visited at the home of Mrs. Offenbacher's brother-in-law and sister, Dr. and Mrs. S. Hannah.

Mr. and Mrs. F. Arnot and family, of Nelson, arrived in Vernon on Friday to visit at the home of Mrs. Arnot's parents, Mr. and Mrs. U. LePage, in this city. Mr. Arnot returned to Nelson on Wednesday, but Mrs. Arnot will remain in Vernon for another week.

Miss Myleen DeBeck, of Edmonton, Alta., arrived in Vernon last week and is spending a month's vacation at the home of her mother, Mrs. H. C. DeBeck, in this city. Miss DeBeck is a librarian at the Edmonton City Library.

Richard Saunders, of Toronto, Ont., was a guest at the home of Mr. and Mrs. A. E. Berry, in this city, on Saturday. Mr. Saunders, who is a former resident of this city, came west to attend the wedding of his brother, Robert Saunders, to the former Miss Violet Passmore in Vancouver recently.

Mr. and Mrs. O. Higgins and their two children, of Nelson, are visiting for two weeks at the home of Mrs. Higgins' brother-in-law and sister, Mr. and Mrs. W. A. C. Thom, in this city. While in the Okanagan Valley, Mr. and Mrs. Higgins will also visit the latter's father, O. W. Hembling, in Oyanau.

E. G. Shorwood and Fred Miles returned to Vernon last week from Victoria where they attended the annual convention of the I.O.O.F. Mr. Shorwood was re-elected to the university business committee and reports that the business will be increased this year. During the convention E. G. Shorwood, of Powell River, was elected Grand Master.

Mr. and Mrs. F. Marriot and Mr. and Mrs. J. Greeno and their young son, Bobby, returned to Vernon on Sunday after spending a few days' vacation motoring over the Big Bend Highway to Lake Louise.

Mr. and Mrs. J. G. Simms, of this city, plan to leave Friday by train for St. John's, Newfoundland, where they will visit the former's relatives in that city. They expect to be on vacation for nearly three months.

Miss Betty Cross will leave today, Thursday, for Vancouver where she will take a three week dancing teacher's course, under Miss M. McBirnie, formerly of the Royal Academy of Dancing, London, England. Miss Cross is the daughter of Mr. and Mrs. E. L. Cross, of this city.

Members of the Rotary Club entertained their wives and friends at the Country Club on Wednesday evening at the semi-annual Ladies' Night. Following refreshments and supper, a short program was enjoyed, including recitations by William Hall, a sing song led by Walter Bennett, and the showing of color films by Mr. and Mrs. E. B. Cousins. President A. J. Wright presided.

Four Vernon lawn bowlers took part in the recent 26th annual tournament of the B.C. Lawn Bowling Association at Vancouver. They were W. J. Oliver, Phil Daem, Tommy Martin and Charles Griffin. Mr. Oliver returned to his home in this city on Monday while the other men remained at Vancouver for a short vacation. The Vernon rink got into the semi-finals of the L. C. Jack Cup before being defeated. Mr. Griffin and Mr. Oliver reached the finals in the singles for the Gray Cup, but were defeated by three points in their final game. Mr. Martin and Mr. Daem also advanced well into the singles play.

Trinity Valley Family To Reside in Lumby
TRINITY VALLEY, July 26.—Mr. and Mrs. Harry Johnson and family have moved to their new home near Lumby.

On Sunday, Mr. and Mrs. W. J. A. McPhail and their daughter, Laverne, of New Westminster, visited friends in Trinity Valley. Mr. McPhail taught school here seven years ago.

They were accompanied by Mr. and Mrs. L. Lavery and their daughter, Alice.

Mike Luniv, of Armstrong district, visited his brother-in-law and sister, Mr. and Mrs. Fred Reimer, on Sunday.

Jim Ratcliffe is home again, having spent an enjoyable 10-day holiday at Kootenay Lake.

Dennis Crawford is visiting friends in Vancouver.

Mr. and Mrs. E. Arrence are newcomers to the Valley.

Rains Help Prairie Crops In Some Areas
In the Prairie Provinces recent rains and cooler weather have benefited crops in Manitoba and improved the outlook in north eastern and east central Saskatchewan, and also in central, northern and south western Alberta, according to the Bank of Montreal crop report issued July 22. Elsewhere, while further deterioration has been checked in several sectors, crop prospects remain fair to poor. Wheat throughout the prairies is 50 percent headed and commencing to fill. Cutting of fall rye has started in some districts. Damage from grasshoppers is reported from scattered areas. In British Columbia crops have made progress during the past week under favorable weather conditions. Tree fruits are developing satisfactorily with pest damage negligible. Early vegetables are moving to market in volume. Heavy crops of hay are being harvested.

British Columbia: Rain early in the past week followed by hot weather has promoted rapid growth of tree fruits. Apples are sizing well and an above average crop is indicated. Picking of early Transparents has commenced. The yields of pears, plums and prunes are expected to be average. Thinning of peaches has been completed and it is estimated that this crop and also apricots will be slightly above average. The cherry crop has been disappointing. Blights particularly having suffered from splitting. A good crop of raspberries is being picked and first shipments of logan berries are now being marketed. The main crop of tomatoes is developing well and should yield approximately 85 percent of average.

First Peaches Hitting Market

The first of the 1948 peach crop is beginning to move to market and by Wednesday or Thursday of next week Rochesters will be packed and shipped in quite heavy volume from the Oliver-Osoyoos area.

Picking of Rochesters, first important commercial variety, will commence on Saturday or Monday, A. K. Loyd, president of B.C. Tree Fruits Ltd., said on Wednesday. A few of the earliest varieties have already been shipped from the extreme south.

The Okanagan cherry deal is in the cleaning up stage, with only a few tons left in the Valley, Mr. Loyd declared. Production from Creston and the Kootenays will continue for another two weeks. Oliver-Osoyoos are in full production of apricots and the peak at Penticton is expected to be reached by this weekend. Market demand continues good.

Early apples are moving with market receptivity fair and a few early plums are also appearing.

In the vegetable deal, supply of all commodities exceeds demand except for cabbage and tomatoes. The first full car of mature tomatoes left the Valley on Friday. Ontario is the chief competitor and is offering supplies to the prairies. Locally grown vegetables are offering strong competition.

Shipments by B.C. Tree Fruits last week totalled 141 cars.

Closing Exercises
Of Vacation Bible
School Held Friday

Over 200 children, between the ages of 4 and 15, took part in the closing exercises of the vacation Bible School at the Elm Tabernacle on Friday. The camp had operated each morning from July 12 to 23 with Rev. R. J. White in charge assisted by Miss Bernice Gouley, Miss Mary Rathjen, Mrs. A. Thomas and Rev. K. Kubonika. Diplomas were given for attendance and conduct and the first prize for best attendance was awarded to ? ? ?

Preceding the exercises, a picnic for the Bible School and the regular Sunday School was held at the Kinsmen Beach on Thursday afternoon of last week. Rev. Arthur Townsend, of Prince George, ministered on July 22 and also at the church service on Sunday, Rev. P. S. Jones, District Superintendent of the Pentecostal Assemblies of Canada, formerly of Kelowna, was also in attendance. This Sunday, Rev. Walter McAllister, of the Broadway Tabernacle, Vancouver, will be present.

Girls' Fastball
Schedule Nears
Playoff Stretch

With about three weeks' of play left in the schedule of the girls' city fastball league, it appears as though the Ok. Lumber Jills are going to be on top at the end. The Jills have lost only two of 13 starts and this record gives them a five-point margin over the second place Shippers.

Three games were played this week. Jills defeated Nationals 10-6, Shippers beat Kwongs 19-8, and the Nationals took a 28-16 win from the Pro Rec.

On Monday night, the Nats scored a devastating 28 runs to whitewash the Pro Rec batters for their third victory of the season. Nats were always in the lead and scored in all but two innings.

Runs scored were: Min Quamie 4, Kay Dehnke 4, Teddy Smith 4, Edie Hale 3, Joyce Sparrow 3, Bubs Ingils 3, Rene Ingils 3, Aud Hale 2, and Midge Massey 2. For the Pro Rec the scorers were: Bernice McNeil 4, Inez Carlson 3, Gertie Kozoris 3, Marge Lawson 2, Doreen Willis 2, Kay Carswell 1 and Dot Caryk 1.

On Sunday evening, Kwongs and Shippers killed off a postponed game with the Chiefs winning 19-8. Kwongs led 4-3 at the fifth session, but the Shippers poured on a 12-run rally that cooked the goose of the opposition.

For the Shippers, the runs were scored by: Bev Brett 4, Ann Bradford 3, Faith Brues 3, Joan Price, Stella Elkey, Cathy McCloume and Lil Bohnen 2 each, Helen Bergender and Betty Gibson 1 each. Kwongs scorers were Joy White 2, Gertie Bydlowski, Lorna Marwick, Evelyn Norman, Polly Welycho, Joyce Allan and Dot Morgan.

The Ok. Lumber Jills, leaders in the girls' city fastball race, continued their wrecking of other teams' chances in the loop on Wednesday night of last week as they hung up a 10-6 win over the third place Nationals, who were on their way to their most impressive win streak of the season. Although outlived 15-11, the Jills made the seventh and eighth innings pay off with five runs that gave them the ball game.

The Jills fielded sensationally and that as much as anything gave them the increased margin over their second place pressure, the Shippers. The Jills made only one error in the field against six for the Nats. Agnes Harvey and Kay Dehnke opposed each other on the mound, each struck out two but the former, of Jills, walked six while the Nats' Dehnke issued three free passes.

The Jills took a one-run lead in the first but the Nats went ahead 3-1 in the top half of the third until in their bat in the same inning the Jills scored four more. Their second three-run tally, this time in the fifth, put the Nationals up 6-5 but the Lumber jills' five runs in the seventh and eighth were the deciding issues.

And Grisedale scored three for the Jills as Mary Neilson and Agnes Harvey each had two. The remainder were accounted for by Pat Gray, Rene Anthony and Doreen Neilson. Agnes Harvey led the batters with three hits in five times at the plate. She also powered a homer.

Min Quamie and Aud Indenech had two runs to better the Nats' other errors while "Bubs" Ingils and Midge Massey had the other two. Kay Dehnke and B. Ingils led the batters with three for five.

Level Of Okanagan
Lake Won't Lower
Until Early Autumn

KELOWNA—The City of Kelowna can look for no relief from the high lake level around the end of September. This is indicated in a statement issued recently by Charles P. Paulkner, engineer in charge of Okanagan Lake Control. The statement points out the lake's peak was reached June 25 when the water rose to 104.9 feet, but with favorable weather, the engineer hopes the "agreed maximum"—which is considered the danger point—will not be reached until "about the middle of September."

There are more than 840,000 women employed in Canadian industries today.

New Enderby Waterworks
Sparks Warm Discussion

ENDERBY, July 27—Mayor Howard Logan presided over the special Council meeting called for Monday evening to attend to business in connection with the completion of the waterworks system. Present were Aldermen McMahon, Sutherland, Lundman and Blackburn.

When the matter of completing the new system was brought up, Alderman Lundman said: "If we put in the same pipe we will find we have more repairs so, I am not in favor of putting in the old pitted pipe." "Has it even been checked?" asked Mr. Lundman. Alderman Blackburn was of the opinion that Mr. Elke had checked the pipe, and Alderman Sutherland reported that foreman T. Kneale had done the checking. "However," said Mr. Sutherland, "we are not here to go into the pros and cons of what has been done, but to see that it is done properly for the remainder. There has been too much sabotage already."

Alderman Lundman said, "we should forget about the sabotage and talk about the pipe that is in the ground. How many places are already dug up? 'Eleven leaks repaired to date, reported,' Alderman Sutherland. When asked by Alderman Blackburn if the pumps had been working well, Alderman Sutherland replied that they had and that all the water has been pumped from the well only.

When asked by Alderman Blackburn if any pressure had been turned on in the new system, Alderman Sutherland reported that 100 pounds had been applied and 11 leaks had been repaired.

Softer Water
Alderman McMahon thought the water from the well would be a good deal softer than many other towns had but Alderman Lundman was of the opposite opinion. Alderman Blackburn suggested having a test made.

Alderman McMahon said that one gentleman who was not present this evening had held things up for months and "if he never comes back it will be alright." Alderman Lundman then rose to his feet and said "We are talking about things that do not belong at all."

Alderman Blackburn said any ratepayers talked to were not in favor of putting in the system. "As far as I am concerned personally I am 100 percent for water."

Wooden vs. Iron Pipe
"What knows anything about the water system?" asked Alderman McMahon. "Do the people on the street know?"

Alderman Sutherland said that in his discussion with Mr. McDougall re metal pipe the latter was of the opinion it would outlast wooden pipe, the weakness is in the couplings more than the actual pipe. "If you change the pipe from the present kind to wooden you would need more than the \$20,000 reported Alderman Sutherland. Alderman Blackburn asked if the \$20,000 would cover the connection of the pipe. Alderman Sutherland replied no to this.

Alderman Blackburn favored a public meeting to put the matter before the ratepayers. "I feel positive that if you want to put in 10,000 more feet of pipe you will not get their vote. They will go dry first."

Public Meeting
"I feel that if the matter was put to the public the way it has been here, they might get a different view on the matter," said Alderman Blackburn. "Before a motion is made I don't believe I'll vote in favor until a public meeting is held. I have heard so much talk on the street that I'll see to it they are not fooled again," said Alderman McMahon.

He was of the opinion that all that was accomplished at public meeting was talk and no one was able to get anywhere. He would not attend such a meeting.

Alderman Lundman agreed with Alderman Blackburn to take the matter before the people. "If you do," asked Alderman Sutherland, "who's going to ask the questions?" "The ratepayers," said Alderman Lundman. "But," said Alderman Sutherland, "we sit in a public meeting once a month and on one comes."

"We are going to have a public meeting," said Alderman Blackburn, "whether we like it or not. I'm not going to call it, but public are."

"How are they going to find out the answers to the questions?" asked Alderman McMahon. "I for one am not going to be there."

Motives Defeated
Alderman Lundman made a motion to purchase wooden pipe for the balance of the system, and replace the necessary hydrants and go before the people for sufficient money. To this motion, Alderman Blackburn said, "If we had new iron pipe we would save time and money and if it's new there is no reason why it shouldn't be alright."

"Every foot of the pipe was to have been examined," said Alderman Sutherland, "and it is up to the city foreman to reject a poor piece of pipe." Alderman Blackburn thought the City foreman was not in favor of the system and pipe that was being laid.

"What does the City foreman tell you?" asked Alderman Sutherland of Alderman Blackburn. "I'm

not telling," said Alderman Blackburn. "Then who should I tell you what he tells me," continued Alderman Sutherland.

"I know it will be voted down by the people," said Alderman Blackburn, "but I am going to second Alderman Lundman's motion." The motion did not carry.

Motion Carried
Alderman Sutherland moved the purchase of 10,500 feet of new pipe and a bylaw of \$20,000 to complete the remainder of the water system. This motion was carried.

There are 700 connections to make, reported Alderman Sutherland. "We still have an emergency fund of \$5000 and I would like a motion that we have permission to use \$2,000 of the fund for making the necessary connections."

It was moved by Alderman Blackburn that the clerk write for permission to use the necessary \$2,000 from the special reserve fund. Motion was carried unanimously.

New Sidewalks
Mr. Labron then petitioned the city council to have a sidewalk built from his residence and that of Rev. King on Mill St. Mayor Logan assured Mr. Labron that the matter would have every consideration.

It was suggested by Mayor Logan that when new sidewalks were made permanent one be built even if only a short distance be built each year. It was suggested that the matter of the resident paying a portion of the sidewalk off every year and the city paying half of the cost of building be looked into. Alderman McMahon moved that the matter be left in the hands of the chairman of that department, Alderman Blackburn.

No sidewalk improvements have been made this year said Mayor Logan, while last year two valuable pieces of cement walk had been completed.

Alderman Sutherland asked permission to have the use of a road or if one should come to Enderby as he would like to pay for it himself to oil the road in front of his house. Large busses stir up a good deal of dust along Mill St. reported Mr. Sutherland. Permission was granted.

Alderman Resigns
The members of the city council accepted the resignation of Alderman George McLeod.

The letter of resignation read as follows: "I have found there is a technicality which has made void my eligibility, between November 5 1947 and January 1, 1948, to act

as alderman in your city. Rather than become involved in legal argument I am therefore submitting my resignation of Alderman to be effective at once."

In the discussion that followed Alderman Blackburn asked if it was necessary for the council to accept the resignation. Alderman McMahon reported that it was not a matter of whether the council accepted or rejected it. Mr. McLeod just cannot sit on the council. Alderman Blackburn moved that Mr. McLeod's resignation be accepted and an election be called.

Noisy Wedding Parade
Has Aftermath In Court

KELOWNA—Aftermath of a quiet-shattering wedding in the city came in city police court recently when a man was charged with making unnecessary noise by blowing the horn on his auto.

Police Magistrate gave Peter Pasnak a gentle warning and decided to suspend sentence. But Pasnak didn't get off exactly scot-free. He had to pay the court costs of \$2.

46 Delegates, Visitors Attend Seed Convention

The annual meeting of the B.C. Co-operative Seed Growers Association attracted some 46 delegates and visitors when it was held at the Sutherland Arms Hotel at Okanagan Landing on Tuesday. Meeting was termed most successful.

The following slate of officers was elected: district one—Y. Sugimoto, of Grand Forks; district two—W. H. Baumbrough, of Vernon; president; district three—J. Decker, of Pemberton; district four—Harvey Turnbull, of White Rock, vice-president; district five—Howard English, of Vancouver Island.

There were a number of visitors from many points in the province. From outside centres were: John Blodger and nephew, "Chuck" of California; Howard P. Wright, of Calgary, Alta., president of Alberta Co-operative Seed Growers and also president of the Canadian Seed Growers Association, and H. Gunn representing a seed firm in Spokane, Wash.

At an enjoyable dinner, convention attendants were entertained by reminiscences of Mr. Blodger, Mr. Wright, Gordon Stewart, C. A. Hayden and others.

Later in the evening a instructive film was shown, depicting operations of a cucumber thresher and drying machines.

The outgoing board of directors held a meeting on Monday and the incoming board of directors is now in session.

Alderman Sutherland asked permission to have the use of a road or if one should come to Enderby as he would like to pay for it himself to oil the road in front of his house. Large busses stir up a good deal of dust along Mill St. reported Mr. Sutherland. Permission was granted.

Salmon Valley Potato Growers Hold Field Day

SALMON RIVER VALLEY, July 26.—The Salmon River Valley Foundation Area Potato Growers' Association, held their second annual field day on July 26. The field commenced at 1 p.m. from Heywood's Corner and proceeded to E. Schwab's field of Netted Gems, then to C. Schwab's Netted Gem field, followed by R. C. Freeze's field of same variety. The tour then continued down the valley where A. D. Heywood's and D. B. Butchart's Warbas were viewed. The final lap of the tour proceeded to Salmon Bench where the following fields were seen: Watson's Netted Gems, Rhizoma alfalfa on A. Needoba's farm, R. Lutzmann's Katahdins and Gems and A. Needoba's Netted Gems. A banquet at Hotel Armstrong completed the program.

Many Speakers
During the banquet several speakers were called upon by R. C. Freeze, who was master of ceremonies, including P. G. James, Agriculturist, Interior Vegetable Marketing Board, Kelowna, and H. Weibe, of Grand Forks, who extended a warm welcome to members of this district to attend the Grand Forks Seed Festival on July 28. Other guests present from Grand Forks were, C. Meggitt, Mr. Sigamoto, Mr. Socchoff and R. Heaven.

C. Hamilton, district potato inspector, gave a clear cut picture with regard to freedom from disease so far this season.

C. Bradbury, manager of the Northern Certified Seed Potato Co-operative Association, of Vancouver, outlined a number of interesting facts with regard to the excellent results being obtained from last year's seed crop and emphasized the upholding of high standards of seed production. He also stated that prospective seed requirements seem fairly good despite the large potato crop.

A. Ritchie, chief district inspector for B.C., presented a number of valuable hints in connection with the care and growing of potatoes. He placed emphasis on rotating early, often and carefully and on proper temperature and cleanliness of storage facilities.

A. Ritchie, M.L.A., of Salmon Arm, in his remarks promised to assist the growers in every way possible with their problems.

Prize Winners
As the fields were being viewed, they were also judged by C. Bradbury and H. Weibe, the prizes being presented by C. Bradbury to C. Schwab, for his Netted Gems, and to D. B. Butchart, for his Warbas. The first award was donated by the Northern Seed Ltd., and the second by Buckfield's.

Other guests attending were George Pottery, of Vernon, A. Wilson, of Armstrong, and Mr. Muirhead, of Salmon Arm.

T. E. Knox, of Vancouver, arrived on Saturday to join Mrs. Knox, who has been visiting with her parents, Mr. and Mrs. W. Kohut, at Heywood's Corner. They returned to Vancouver on Monday.

Miss I. Sloka, of Vancouver, has been visiting here on her way to Kelowna.

Mrs. Baine, of Grand Forks, is spending part of her vacation at the home of Mr. and Mrs. M. C. Tucker.

Mr. and Mrs. W. Whitehead, of Kelowna, accompanied by Mr. and Mrs. Whitehead, Sr., of Knox Hill, were visitors at Heywood's Corner on Sunday.

Drinking At Dances Dangerous Diversion
Consuming liquor in a public place has been a costly offense for 11 people recently. In the past week or so in City Police Court, before Acting Magistrate Dr. E. W. Prowse, 11 people have been convicted and each fined \$50 and costs. Ten of the offenses occurred in the vicinity of the U.K. Hall on 43rd Avenue west.

Repeated complaints from citizens over noisy and unruly behavior at dances have led Provincial Police to crack down. On Saturday night, July 10, four Provincial Constables—P. Q. Drysdale, J. S. Jackson, Howard Turner and Archie Gibson—checked on a dance at the U.K. Hall. Out of this investigation nine charges were laid and nine convictions resulted.

The police found the accused persons drinking in cars or buying beer in their possession in cars under circumstances which would lead the police to believe they were about to drink. This proof was sufficient to bring a conviction.

New CNR Official in Kelowna
Robert A. Wyman, since 1945 industrial agent, Canadian National Railways, B.C. District, Vancouver, has been transferred to Kelowna as assistant superintendent, according to announcement by R. H. Robertson, superintendent, C.N.R., Kamloops Division. Mr. Wyman's jurisdiction extends over Okanagan-Lumby subdivision, including rail lines and the company's Okanagan Lake barge and ferry operations between Kelowna and Penticton.

Mara Child Cuts Gash In Foot

MARA, July 26.—Marilyn Witala, small daughter of Mr. and Mrs. Art Witala, last week sustained a bad cut foot which required several stitches.

Mr. and Mrs. G. Parker and daughter, Beth, of Oyama, spent the weekend as the guests of Mr. and Mrs. I. N. Parker and Mr. and Mrs. William Kenyon.

Mrs. John A. Makella left Thursday for Vernon to visit her mother, Mrs. E. Everett.

Mr. and Mrs. A. O. Lepine arrived last week from Saskatoon, Sask., to spend their holidays as the guests of the latter's mother, Mrs. R. Macread.

Mrs. A. Bassely, of Vancouver, who has been visiting with her daughter in Solsqua for a time, spent the past weekend at the home of Mr. and Mrs. C. Kilt.

Miss E. Langdon arrived on Saturday from Pasadena, Calif., to spend a vacation at her home at Woodcot.

Mr. and Mrs. H. O. Kellett returned to Mara on Friday after a two weeks' vacation in Vancouver.

Mr. and Mrs. R. Robertson and son, Ken, of Kamloops, are visiting relatives here this week.

Miss Mabel and Miss Sara Johnson returned home last week after being employed in Salmon Arm for some time.

Friends of Mrs. Len Screen are sorry to hear she is ill and confined to bed.

Mrs. S. Cuddy, accompanied by her niece, Louise Keit, were recent visitors to Vernon.

Fritz Gibson returned Sunday from the Royal Inland Hospital, where was recovering from a major operation.

John Makella spent Sunday in Vernon visiting relatives.

Kamloops Thinks Teachers Eligible for Council Posts

KAMLOOPS—On motion of Ald. Roy Matthews and Ald. J. R. Bromley, city council has gone on record as favoring amendment of the municipal act to remove the restrictions which bars property-owning school teachers from municipal office.

B.C.T.F. has been campaigning actively during the last few years for removal of the legal restrictions based on the former contractual relationship of teachers with city council, that keeps such teachers as are otherwise legally qualified from standing for election to city council.

Falkland Boy Hurt In Tumble From Tractor

FALKLAND, July 24.—Robin Seaman, the 10-year-old son of Mr. and Mrs. "Curly" Seaman, is in the Vernon Jubilee Hospital suffering from a compound fracture of the arm caused by a fall from a tractor, which was being driven at the time by his uncle.

A dance held in the Community Hall on July 17 was greatly enjoyed. Music was supplied by the B.C. Ranch Boys from Kelowna.

Mrs. P. Adecock and family left last week to join Mr. Adecock, who is working in Vernon. Mr. and Mrs. Adecock will be missed in Falkland as both were active in community affairs. Mrs. Adecock was a primary teacher here this year and has accepted a position on the teaching staff of the Vernon Elementary School.

Miss Doris Scott, of Merritt, is holidaying at the home of her grandmother, Mrs. Ida Scott.

Larry and Darry Churchill returned recently from "Camp Hurlbert" where they spent 10 days' vacation.

The B.C. Power Commission crew are going through Falkland now digging post holes.

Charles Churchill is home again following a serious operation.

Mr. and Mrs. J. Borley and family have sold their home here and left recently for Nelson where they plan to make their home.

Mrs. N. Johnson and family, of Vancouver, are spending a holiday with Mr. and Mrs. H. Millar.

Tommy McKay, of North Bend, arrived in Falkland last week to spend two weeks' holiday with his friends, Larry and Darry Churchill.

New Ewing's Landing Postmaster Appointed

EWING'S LANDING, July 24.—Official notification has been given to Cecil Golding that he will shortly be appointed postmaster at Ewing's Landing. A portion of Golding's General Store will be partitioned off to provide accommodation for the post office. The date of the official transfer has not yet been announced.

Visiting her aunt and uncle, Mr. and Mrs. Cecil Golding, at Ewing's Landing, is Mrs. Verna Watson and her daughter, Donna, of New Westminster. Other visitors at the Golding home are Mr. and Mrs. R. S. Thayer, who stopped over enroute to their home in Vancouver from Calgary, Alta.

Mr. and Mrs. R. G. Birch and their three daughters have returned to their home in Vernon after spending the past three weeks at Ewing's Landing, where they occupied the Merrick home.

Following a holiday spent at the art camp, conducted by Miss J. Topham Brown, at Grey Rocks, near Cameron's Point, Mr. and Mrs. Guy Byron-Johnson have returned to their home.

Penticton Bonds Go For 98.016 Tender

PENTICTON—Penticton's \$530,000 bond issue, covering debentures issued following passage on June 22 of four public works bylaws, has been sold to A. F. Ames and Co. Ltd. at a price of 98.016.

The 20-year debentures, which bear interest for the first 10 years at three percent and for the last ten at three and one-quarter percent, will cost the city an average of 3.26 percent at the price sold.

When tenders on the bond issue were opened on July 2 there were four bidders, the others being Dominion Securities Corporation, McMahon and Burns, and McDermid, Miller and McDermid with bids of 97.088, 96.275, and 97.855 respectively.

All four stipulated that their bids were on an "all the issue or none" basis and all had a condition that no other bonds be issued for a period of 60 days.

The winning bid, 98.016, reveals that the cost of borrowing money has increased sharply in recent years along with everything else. The last bond issue sold by the city was the \$310,000 sewerage by-law issue and cost the city only 2.76 percent on the average.

The Italians used playing cards called tarots, as early as the 14th century.

Tired Aching Tender Feet

Your feet may be so tender and ached that you think you can't go another step. Your shoes may feel as if they are cutting right in to the flesh. You feel sick all over with the pain and torture; you'd give anything to get relief.

Two or three applications of Moore's Emu-oil after a good hot foot bath and in 15 minutes the pain and soreness disappears.

No matter how discouraged you have been, if you have not tried Emu-oil then you have something to learn. Ask a bottle today at Nolan Drug & Book Co., or any good drug store.

The Guys Who Engineered Your Motor Aren't Dumb

They figured how hot your cylinders really get... and how much water needs to be pumped and cooled to keep your motor from overheating.

When your radiator either leaks or is partly clogged you're not going to have top notch performance.

Send your radiator to us; we'll rod it, repair it, test it and give you mighty close to NEW CAR cooling.

"THAT'S A VERY SENSIBLE PURCHASE I LOVE - WHY DIDN'T YOU BUY A COUPLE?"

What? What'd you say? Oh—you mean those maily-rich, honey-gold Post's Grape-Nuts Flakes?
"They're some dilly!"
"They're so cleverly made—of no grains, you know—really dilly Canadian wheat and malted barley!"
"They sure taste out of this world, darling—but you're forgetting that other reason why I go for Post's Grape-Nuts Flakes."
"Energy, you mean? The carbohydrates that lend you up with energy so they call you the human dynamo?"
"Right! And what are those things that help build up the old muscle?"
"Proteins, Hercules. And Post's Grape-Nuts Flakes sure have got 'em!"
"And phosphorus—what's that for?"
"That's for sturdy bones and sound teeth."
"Eating Post's Grape-Nuts Flakes every day—no wonder I'm such a husky guy!"
"And Post's Grape-Nuts Flakes give you iron for the blood—and other food essentials."
"Say—Post's Grape-Nuts Flakes are ready to eat right from the package, so let's have some, quick!"

"IT ACTS QUICKLY"

Enderby Oldtimer Dies in Victoria

ENDERBY, July 23.—Enderby residents were sorry to hear of the passing on July 1 in Victoria of an oldtimer of this district, Herbert Thomas Twigg.

Mr. Twigg was born in Dunganland, County Tyrone, Ireland, 77 years ago and came to Canada in 1890. For many years he was a land surveyor and lived on a farm on the Salmon Arm road near Enderby.

He is survived by his wife, two brothers, C. B. Twigg, of Creston, and William Twigg, of Pondoland, Africa; two sisters, in Ireland, and another sister in England. Funeral services were held from Luke's Church, Victoria, on July 5. Interment took place in St. Luke's cemetery, Victoria.

Mrs. W. B. McKechnie Dies In Armstrong

ARMSTRONG, July 23.—Rev. R. Gillanders conducted the funeral services for the late Mrs. Annie Elizabeth McKechnie July 17, in St. Andrews Presbyterian Church. Mrs. McKechnie passed away on July 14 following a long illness.

Mrs. McKechnie, who was 81, was of Irish parentage but was born at Alliston, Ont., and received her education in Toronto, Ont.

In Revelstoke, in 1889, she married Dr. W. B. McKechnie, and in 1900 they moved to Vancouver. Since 1920 they have resided on their farm near this city.

While her health permitted, Mrs. McKechnie was a faithful worker in her church, holding the office of Presbyterian President of the Women's Missionary Society of the Presbyterian Church for several terms.

Besides her husband, she is survived by one daughter, Mrs. J. P. G. MacLeod, Vancouver; three sons, Donald C. Sudbury, Ont.; Ian J. Half Moon Bay; Kenneth B. Armstrong; two sisters, Mrs. Thomas Jeffs, Vancouver, and Mrs. W. A. Griffiths, Toronto, Ont.

Interment took place in the Armstrong Cemetery.

Enderby Lad Shows Fishing Teacher How to Land 'Em

ENDERBY, July 23.—Young Alvin Hutchinson landed a 3 1/2 pound Rainbow trout at Mabel Lake on July 14. Alvin has been at the boys' summer camp under the supervision of Rev. C. G. MacKenzie. Mr. MacKenzie had been teaching the boys fly casting and Alvin was out with his mentor when he made his catch, the first since practising the art. The minister didn't get one.

During the winter Mr. MacKenzie trains the boys in making their own rods, in the arts of fly-casting and in the intricate task of knowing which fly to use at the proper time. Alvin has been a leader in the boys' work and now his catch strengthens his position with the rest of the youths.

Raspberry Market Slow

Gardeners in Enderby who have been growing raspberries in any quantity are finding it difficult to locate markets for their rapidly ripening fruit. Some growers feel that, due to the high price of berries last year, many more growers planted more of the berry canes. Not only is the local market flooded with the fruit but the retail price locally this year is approximately one half what it was last year.

Mr. and Mrs. Lawes, of Los Angeles, Calif., are busy building their new log summer home at Mara Lake. Mr. and Mrs. Lawes, who purchased a piece of the beach property near the King-Baker summer cottage, have decided to build their summer home in Canada. During the past few years they have made annual trips to Enderby where they have visited with Mrs. V. King-Baker, who is at present in England.

Another summer home under construction at Mara Lake is that of Mrs. Snider, also of Los Angeles.

The members of the Ashton Creek Community Club sponsored a dance in the Ashton Creek hall on July 16. Despite the late hour of arrival of the crowd, \$30 was netted from the evening's undertaking. The local Swingers orchestra supplied the music and the proceeds from the evening's entertainment will go towards the building of a new community hall. William Cromer is president of the Community Club and Harold Bawtree is secretary.

During the winter season when the Badminton Club was active it was felt that a larger hall was necessary if the members of the community were to continue with their inter-town matches. It was decided to form a club and all revenue raised would be placed towards the building and a large portion of the effort would receive volunteer labor.

Mr. and Mrs. Jack Folkard enjoyed a visit last week from Mrs. Butler, of New Westminster. On July 17 Mrs. Murray, of Vancouver, arrived to visit Mr. and Mrs. Jack Folkard at their home at North Enderby.

Mr. and Mrs. Ted Lundman are visiting in Oyma on business. Mr. and Mrs. H. Kirkpatrick are enjoying a visit with Mrs. Kirkpatrick's niece, Mrs. Humphries and Miss Verna Dick, of Renfrew, Ont.

Mr. and Mrs. Milton Johnson have been spending a few weeks at Mabel Lake. Mr. Johnson is employed with the Forestry Service in Enderby.

Mr. and Mrs. William Duncan left for Vancouver and Vancouver Island last week where they will spend a holiday with friends and their son and daughter-in-law, Mr. and Mrs. Alan Duncan.

R. Fenton has had workmen busy erecting his new home on the Enderby-Salmon Arm road a mile or so south of his former home. The building is now under completion. Travelers to and from Enderby and Salmon Arm have noticed a marked increase in the number of new homes and farms that have been built in this area during the past year or so.

Mr. and Mrs. Sid Knight, of Mabel Lake, have been enjoying visits from several friends recently. Among those visiting at their home on the Mabel Lake road are Mr. and Mrs. Wigger, of Redwood City, Calif., and Alf Ball, of Banff, Alta.

Mr. and Mrs. Tom Malpus motored to Mabel Lake last week to visit their son, George, who has been holidaying at the boys' summer camp, which is located on the B. Large property on the west side of the river mouth. A number of parents and friends visited the camp on Sunday to inspect the camp. Mrs. MacKenzie motored to Mabel Lake on July 16 to spend the weekend visiting her husband who is supervising the summer camp.

Enderby friends of Mrs. R. J. Blumenauer enjoyed a short visit with her last week when she spent a few hours here before returning to her new home at Salmon Arm. Mr. and Mrs. Blumenauer recently moved to Salmon Arm where Mr. Blumenauer is employed as agent with the C.P.R.

Mr. and Mrs. S. H. Speers motored to Salmon Arm last week where Mrs. Speers left for Vancouver where she will spend two weeks.

Mr. and Mrs. George Johnson are in Vancouver where Mr. Johnson is receiving medical treatment at Shaughnessy Military Hospital.

Miss Pearl Johnson has been spending a holiday at Sunny Brae summer camp.

Jack Harvey recently returned to his home in Enderby after visiting the Harvey summer camp at Mabel Lake.

John Johnson and his crew are busy with the construction of the new home which they are building for Mr. and Mrs. A. Thomas, on the back Enderby-Salmon Arm road. Mr. and Mrs. Thomas, accompanied by their two children, Billie and Robbie, left this week for Vancouver where they will spend

two weeks visiting friends and relatives. Mrs. Evert Dunn, of Vernon, accompanied by her young son, spent last weekend visiting at the home of Mrs. Dunn's parents, Mr. and Mrs. Frank Dunn and his sister, Mrs. A. O. Blackburn.

During the absence of Rev. C. G. MacKenzie, minister of St. Andrew's United Church, Rev. J. L. King, assisted by William Mack, conducted the morning service in the local United Church on July 18.

Mrs. R. Billings is spending some time receiving medical care in the Royal Inland Hospital at Kamloops.

Mr. and Mrs. Ivor Solly, accompanied by their two children, Nan and Jane, motored to Mabel Lake last weekend, where they will spend a two weeks' vacation.

Miss Frances Daem left for Kelowna where she spent last weekend with friends. Miss Daem is spending the summer holidays visiting her parents, Mr. and Mrs. A. Daem, after returning from Vancouver where she completed her teachers' training course.

Mrs. William Cameron, of Vernon, accompanied by her son, Gerry, are camping with her parents, Mr. and Mrs. Griffith, at their Dolly Varden Beach summer home.

Mrs. Sherlow, who has been residing at Vancouver for several years, visited Enderby last week on business in connection with the selling of her home here. Mrs. Sherlow was among early residents of Enderby, and has noticed progress in the town since her departure.

Mrs. S. H. Speers recently left for Vancouver where she spent a few weeks.

Mr. and Mrs. William Preston, of Salmon Arm, were Enderby visitors last week at the home of Mr. Preston's parents, Mr. and Mrs. Harry Preston.

Miss Betty Burton, of Vernon Lake, is enjoying summer vacation with her parents, Mr. and Mrs. E. S. Burton at their home on the back Enderby-Salmon Arm Road. Miss Burton has been on the staff of the Burns Lake hospital for some time.

Mr. and Mrs. Donald Strickland were delighted last week with the arrival of Mrs. Strickland's brother and sister-in-law, Mr. and Mrs. Laird of San Diego, California, and were accompanied by their son, Pat and Miss Margaret Linkin, also of California.

Mr. and Mrs. Donald Strickland recently visited their daughter, Mrs. Cameron and her infant daughter,

Heather Lynn, in the Vernon Jubilee Hospital.

On July 14 the members of the Baptist Church W.M.S. gathered at the home of Mrs. Healey where they enjoyed the report given by Mrs. Penner who attended the Regular Baptist Convention held in Vancouver recently.

David Sidnick recently returned to his home in Enderby after attending the Calgary Stampede.

Mrs. A. Yates has returned to her home in Winnipeg, Man., after several months vacation with her brother-in-law and sister, Rev. and Mrs. J. L. King, and with friends and relatives at the Coast.

During the absence of Ivor Solly, manager of the Enderby branch of the Bank of Montreal, J. A. Manson, of Vernon, is acting as relieving manager.

P. G. Farmer, manager of the B. J. Carney Pole Company, in Enderby, returned last week after a business trip to various limits owned by the company. Accompanying Mr. Farmer was M. P. Flannery, of Spokane, Wash., who made a short stop-over in town on business before returning to his home across the border.

Relatives Seek Location Of Hugh Fred Goodwin, 28

The Canadian Red Cross Society is endeavoring to trace the whereabouts of Hugh Fred Goodwin who is one of a list of missing persons sought by friends or relatives in other countries. Fred Allis, father of the missing man, is seeking the information. Mr. Goodwin who follows the occupation of farmer and trapper came to Newlands, B.C., from Cherrill, Alta. He was born in Newport, Essex, England on Dec. 19, 1909.

The black-back gull may require four years to attain maturity but sometimes lives to the century mark.

Heat shimmering over green fields... the good smell of rain on warm earth... and of drying timothy and clover... the barn a shadowy refuge from the sun...

Time now to be making arrangements for extra help, for harvesting and threshing crews... and money to finance operations till the crop is sold. Money to meet this need is always available at the Royal Bank. Call on your nearest branch manager and discuss your loan requirements with him. Ask him, too, about Farm Improvement Loans and how they can be used for the benefit of the farm, the farmer and his family.

THE ROYAL BANK OF CANADA

Vernon Branch: NORMAN BARTLETT, Manager

Every B.C. City HAS A FLAVOR ALL ITS OWN

OLD FRAME...NEW PICTURE

The view was always here... a jumble of cloud-capped peaks shielding a broad blue green tidal basin. The city entered the picture swiftly, splendidly—rising wealth-like from the inlet's edge—spreading up the fir-clad slopes and out beyond the southern ridges.

It's a fabulous growth—Vancouver. A huge patchwork of roses and ship yards, of sawmills and green lawns, of monumental buildings and rambling ranch type bungalows. Daily, the world does business at her docks, freight yards and runways. Hourly, her visitors come and go, exclaiming at her beauty, sampling her wares. Many return to stay... all regret to leave.

For nature has cherished Vancouver. Ocean and forest have yielded their wealth to her. Warm coastal currents have tempered her climate. No city on earth can boast a greater variety of year 'round recreation at closer reach. No city can look forward to a greater future.

Vancouver: "Canada's Gateway to the Pacific." With an estimated population of over 488,204, greater Vancouver is Canada's third largest city. It is the financial and distributing centre of the west. Has one of the world's largest and finest harbours. Vancouver Airport ranks as the finest in Canada and the safest on the continent.

Vernon News

(Continued from Page One)

printing plant. Additional equipment has now been installed and will be used during the second week in August. The premises, with a frontage of 75 feet, provide ample working facilities and additional property for future expansion is adjacent.

Bright Lights

A noteworthy feature of the building is the lighting. Under Mr. DeBono's direction, very large windows at front and rear were installed as well as three huge industrial-type skylights on the roof, each 20 by 14 feet.

Over half a mile of metal conduit has gone into the structure for artificial lighting and power. The lights installed are designed to provide clear illumination to every foot of the building.

The task of moving from the present cramped and outmoded quarters presents considerable difficulties. Part of a wall will be torn out and a piece of roof removed so that the heavier machinery can be lifted out by crane.

This operation will commence on Thursday, August 5, so that normal production in the new building can commence the following Monday. In total, over 50 separate pieces of equipment and machinery, the heaviest weighing 8,000 pounds must be removed and then reinstalled.

Fruit Workers

(Continued from Page One)

employees and industry to study a scheme of relating wages to growers' profits.

The idea was advanced in the minority report of the conciliation board which recently sought to end the wage dispute. It proposed that the workers be given a five per cent increase across the board and further, that if 1948 returns per box to the growers were over 1947 returns, wages would be increased the same percentage as the increased returns.

What Now?

Trying to answer the question, "What will happen now?" Mr. Stephens said, "The two committees (labor and industry) will have to get together soon and see if they can't reach agreement. The difference between us now is very small."

Mr. Sands said the latest figure of nine per cent was accepted by the union committee "as an honorable compromise" which the committee was willing to take back for its membership's consideration.

The annual per capita consumption of fish in Japan is about 65 pounds.

Local Beauties Get Chance Of Hollywood Appearance

A plane trip to Hollywood, fame as "Miss Pacific National Exhibition of 1948, theatre appearances and other honors may be the good fortune of the most beautiful girl in the Vernon district.

Announcement of this area's participation in Western Canada's greatest beauty contest was made recently by Walter Bennett, manager of the Capitol Theatre. The contest is being staged by the Pacific National Exhibition in co-operation with Famous Players Canadian Corporation. Canada's largest exhibition will be held at Exhibition Park, Vancouver, from August 25 to September 6 inclusive.

The most beautiful girls from Victoria, Port Alberni, Nanaimo, Prince Rupert, New Westminster, Chilliwack, Nelson, Kamloops, Penticton, Vernon, Rossland, Trail and Vancouver will vie for the championship.

Local Contest

Details of the local contest will

be announced as soon as enough entries have been secured. Anyone over 16 years of age who wishes to enter may secure an entry form from Mr. Bennett. Winners in all districts except Vancouver will be determined by August 17 and, with their chaperons, will travel to Vancouver with all expenses paid, to compete in the finals.

The big day for the Vernon entrant will come on August 25 when the judging of the finalists will be the feature attraction of the opening day of the Pacific National Exhibition. All finalists will take part in the Exhibition's "Big Show" for four days, sharing the stage spotlight with Hollywood screen star Jimmy Durante and other major entertainers. The finalists will be paid at regular artists' rates.

Enderby Crop Estimates Higher Than Last Year

ENDERBY, July 27.—According to a report received this week from Hassard Brothers, two of the largest farm owners and operators in this part of the Valley, it is expected that the hay crop will yield approximately two and one-half to three tons per acre. The Hassard farm includes approximately 625 acres under cultivation and 450 acres of alfalfa.

Most of the alfalfa is being baled right in the fields by farmers in the district this year. Baling in the fields is cheaper and less labor is needed. It is expected that the second crop of alfalfa will be good.

If weather conditions remain favorable the pea crop should be fair this year. There is approximately the same acreage sown to peas in this part of the valley as there was last year.

The Hassard brothers report that their grain crop is excellent this year. At many of the farms in the south and in the North Enderby it is expected that the grain will harvest at approximately 50 bushels to the acre.

Harvest Underway
Much of the harvesting of grain began the first of this week, which is one week earlier than last year. This early harvest is due chiefly to dry hot winds ripening the grain.

Most of the farmers of the North Enderby and Grindrod are harvesting now. It is expected that the crop will be all cleaned up in about a month's time. Last year the harvesting went on well into September. 90 percent of the grain is now harvested by combine. Farmers find this means of harvesting cheaper and during the war the shortage of labor made it impossible to continue the old way, so that more and more combines were purchased.

Hospital Site Chosen
The Enderby Hospital Board announced this week, following an inspection by C. W. Morrow, M.L.A. of Vernon, and Dr. J. Kope, of Enderby, that it was decided that the Peters Property on George Street would be the most suitable for the site for the new Enderby and District Memorial Hospital.

The president of the Board, Mayor H. Logan and Dr. Kope will pace out the property and measure the space required. This site contains approximately an acre and was one of the places listed as suitable for a new hospital location.

Altogether the local Board have approximately \$17,000, according to the secretary treasurer, this amount does not include the old building but does include general funds of the hospital. It is estimated by the government that the amount required for a 20 bed hospital will be \$100,000.

Albert Olson, a former resident of North Enderby arrived in town this week to spend a holiday with his brother and sister-in-law, Mr. and Mrs. Eric Olson, in North Enderby.

Mr. and Mrs. T. Malpass have had workmen improving the appearance of their home on Cliff Street this week. They have been busy adding the finishing coats of stucco to the exterior of the building.

Mayor and Mrs. Howard Logan have been enjoying a visit this week from Mayor Logan's niece, Miss Logan, of Merritt.

Credit Union
Despite having been recently organized in Enderby the local Credit Union Organization, headed by president P. G. Farmer, is kept busy. The organization, which was started last June, now has 43 members with a capital of approximately \$1500. The secretary-treasurer is Miss Gladys Bekk.

During the past year the company has made 18 loans and has given financial aid and co-operation to farmers and businessmen in the town and district.

John Anderson, who spent several days in Victoria at the first of the week, attending Grand Lodge of the I.O.O.F. Lodge returned to his home in Enderby. Mr. Johnson has been Noble Grand of the Enderby Lodge during the past year.

Mr. and Mrs. G. E. McMahon motored to Salmon Arm on Friday

Europe and Peace to Be Lecture Topic

"Europe and World Peace" will be the topic of an address by Professor A. S. R. Tweedie, young lecturer at the University of Alberta, in the Legion Hall on Tuesday night. Professor Tweedie will speak not only from the background of academic knowledge, but also from personal experience as a Wing Commander in the R.C.A.F. during the past war.

His appearance in Vernon is under the auspices of the local Citizens Committee working with the 9th Reconnaissance Regiment, B.C. Dragoons, and the Vernon branch, Canadian Legion. He impressed local officials as a powerful speaker at the recent B.C. conference of Citizens Committees in Vancouver. There is no admittance charge to this lecture at 8 p.m., on Tuesday in the Legion Hall.

Mrs. T. Morton enjoyed a short visit this week from her nephews and nieces, George and Robert Weger, of Innisfail, Alta., and Miss Marion and Miss Jessie Cuthbertson of Edmonton.

Miss Eleanor Robbins who has been holidaying for the past month at the home of her uncle and aunt Mr. and Mrs. Harry Woolman returned to her home in Vancouver on Monday.

The Blair Brothers who have been employed for some time in the logging business in the Enderby District, are busy bulldozing roads into their timber limits in the Trinity Valley area. They are also making roads for Jerry Raboch. During the past few months, the Blair Brothers have been steadily engaged hauling poles to the local yards for shipment.

Mr. and Mrs. Tom Malpass and their two children, Cleo and George motored to Mabel Lake on Saturday evening to spend the day camping at Dally Varden Beach.

Mr. and Mrs. Watt Mack, who have been spending several weeks holiday visiting their son-in-law and daughter, Mr. and Mrs. Harry Woolman, left on Thursday evening for their home at the Coast. Mr. and Mrs. Mack were former residents of North Enderby.

Mr. and Mrs. George Graham enjoyed a visit this week with Mrs. Graham's aunt, Mrs. Elsie Lauzon, of Montreal. It has been 26 years since Mrs. Graham has seen her aunt.

Mr. Archie Preston was a visitor to Vernon on Saturday visiting friends.

Mr. and Mrs. Jack Falkard are enjoying a visit this week with their daughter-in-law, Mrs. Frank Falkard and her son, Blair of Vancouver, who will spend several weeks holiday here.

Mrs. A. Campbell, left on the weekend for Vancouver where she will spend some time visiting with friends and relatives.

Mr. and Mrs. A. Thomas, and their two sons, Billie and Robbie left on Saturday evening for Vancouver where they will spend a two week's vacation with relatives. While at the coast, Mr. T. Thomas who is principal of the Enderby Fortune High School, will take a two weeks course at U.B.C.

Mr. and Mrs. Donald Strickland have been enjoying a visit this week with their daughter Mrs. Cameron and her infant daughter.

Kelowna Collected Over \$31,000 for Flood Fund

KELOWNA—Final tabulation of figures show that a total of \$31,012.91 was collected in Kelowna and district in the B.C. Flood Emergency Relief Fund.

C. R. Bull, chairman of the campaign, said the money has now been sent to B.C. headquarters. Kelowna and district led the whole Interior. Officials were gratified at the response, and declared that in view of the short duration of the drive, the public rallied in a magnificent manner.

North Thompson, Westworld Beef Clubs Hear Talk

WESTWORLD, July 27.—Miss Echo Lidstone, supervisor of Boys' and girls Beef Clubs for B.C., gave an interesting address to the members of the North Thompson and Westworld Beef Clubs when they met at the home of the Westworld Club's leader, J. O. Bulman.

Following the talk, the meeting proceeded to the yards where they had several classes of beef cattle to judge. Instruction in this was given by Bud Gesner, assistant supervisor of club work for the Interior, who was assisted by the leader of the North Thompson club, Jack Wilson and by Joe Bulman. Also at the meeting were

Claire and Lenore Woods, of Armstrong, who represented B.C. at the Toronto Royal Fair in November and G. A. Layat, District Agriculturalist from Kamloops. Before the meeting adjourned Mrs. Bulman served tea to the visitors.

Trade Board Meeting
The monthly meeting of the Falkland Westworld Valley Boards of Trade was held on July 19 at the home of the president, J. O. Bulman. Topics of local interest discussed, including the telephone service and road improvement.

The members of the Junior W.A. met at the home of Miss Dorothy Simpson on Saturday afternoon.

S. Ketchell, of Monte Lake, has been opening up gravel pits with his bulldozer in readiness for road work.

For the past few weeks Chris Bailey, of Falkland, has been hauling clay from near the former Bedell place to the brick and tile plant at Falkland.

Mr. and Mrs. C. O. Black, of Oroville, Wash., spent a short time in the valley last week en route to the Cariboo.

R. Orr motored out from North Kamloops on Friday to visit friends in Westworld.

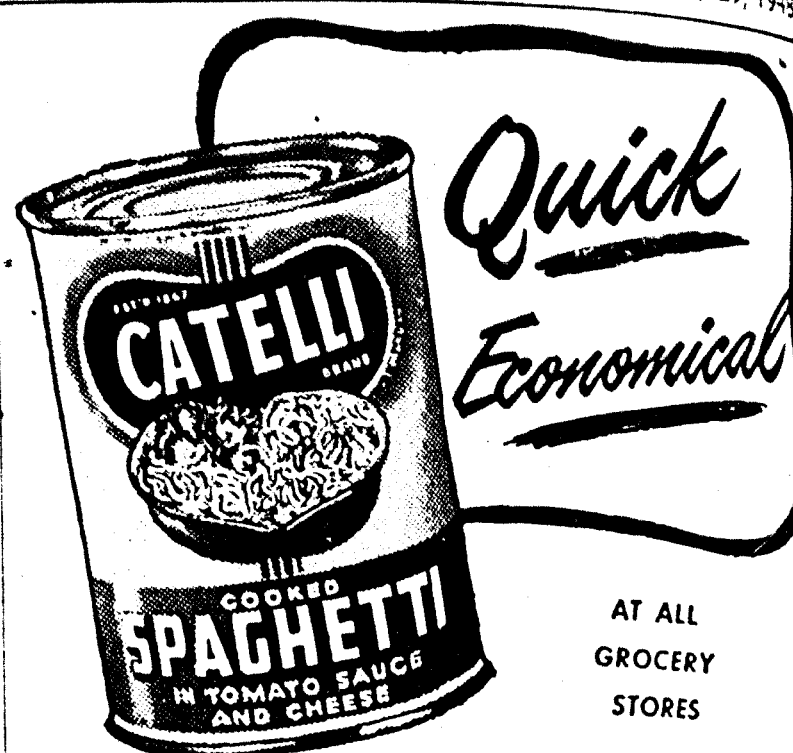

The Baseball Club held a dance in the hall on Saturday evening.

Langinton News Items

Mrs. C. D. Osborn and her daughter, Diane, have returned from Vancouver where they spent a week's holiday with friends.

Mr. and Mrs. Mark Whitecotton were visitors last week at the home of Mrs. Tisdale and her son, Melvin. They are motoring to Iowa.

After the Battle of Britain in 1940, when the R.A.F. defeated the German Luftwaffe, the United States rushed the reserve weapons of the American Army to Britain.

Over the fence

By W. L. MacTavish

"Members of the Communist party... teach the philosophy of the lie... Because I have experienced the deception of the American Communists, I will not trust them."

Whose words? They were written by a woman regarded everywhere in the world as a leader in liberal thought; a woman who lent her name and support to many movements in which Communists were prominent in past years; a woman who is chairman of the United Nations Human Rights Commission—Mrs. Franklin Delano Roosevelt.

There is reason to believe, from her writings, that in the beginning Mrs. Roosevelt regarded Communists as merely reformers in a hurry, as so many other liberal-minded people are wont to do. It took years of bitter experience, experience of deception, before Mrs. Roosevelt finally accepted the truth—that no Communist in any position is to be trusted because no Communist is a free agent. In whatever position he is placed, he is subject completely—mentally, morally and in every other respect—to the thought, the plans and the orders of international Communism, which means the Kremlin.

American Labor, and Canadian Labor, have been as slow and as reluctant as Mrs. Roosevelt to come to that conclusion. But Labor in both countries has come to it. Communist leaders have been fired from many unions in both countries within the past two years. Only one or two unions in Eastern Canada now take inspiration and leadership from Communists, and relatively few in the United States.

That was done, not by law, not by pressure, but by members of trades unions, coming at last to realize as Mrs. Roosevelt came to realize that no Communist is to be trusted.

(The views of W. L. MacTavish are presented weekly in this newspaper under the sponsorship of the British Columbia Federation of Trade and Industry.) F-51

Flood Damage In Kelowna Estimated At Almost \$120,000

KELOWNA—Flood damage in the city and rural areas as a result of the high lake level, totalling \$119,692.04, Mayor W. B. Hughes announced recently. Following an extensive survey conducted by the Kelowna Board of Trade and the City of Kelowna, the mayor pointed out this figure is only a bare minimum, as only 48 people in the city limits turned in a flood damage report. It was estimated between 300 and 400 homes were damaged in one way or another.

Damage to property inside the city limits was estimated at \$47,123.98, while it will cost the City of Kelowna approximately \$20,410.05 to repair roads and reconstruction the City Park. The survey conducted by the Board of Trade showed that damage to rural areas totalling \$52,158.

Five Lumby

(Continued from Page 11)

made the team shoot difficult, keeping scores low. Kelowna won this event with a score of 98 out of 125. G. James won the "ham shoot" with a score of five hams. There were about 250 people at the shoot 60 of whom took part in the events. Two traps were operated. P. C. Ingle stock movies of some of the events.

First Event, Possible 25—A. Finch Kelowna, 25; A. Wilson, Lumby, 24; B. Haldane, Kelowna, 24; B. LeBrun, Summerland, 24; H. Rattacker, Vernon, 23; B. Thompson, Kelowna, 23; H. Kennedy, Kelowna, 23; F. Pollock, Summerland, 23; Dr. Day, Summerland, 23; T. Nelson, Summerland, 23.

Second Event, Possible 25—G. Finch, Kelowna, 24; B. Laidlaw, Summerland, 24; C. Willis, Lumby, 23; J. Nelson, Summerland, 23; P. R. Ward, Vernon, 22; H. Rattacker, Vernon, 22; F. Pollock, Summerland, 22; D. Day, Summerland, 22.

Doubles—D. Day, Summerland, 22; G. Finch, Kelowna, 20; C. Christian, Lumby, 20. Finch and Christian won seven out of ten.

"Miss and Out": 22 Entries—P. LeBrun won this event with G. James runner-up.

Buddy Shoot—H. Rattacker, Vernon, and J. C. Genier, Lumby, 100 per cent score.

BERNARDIN
HOME CANNING CAPS AND LIDS

New CNR Superintendent

R. H. Robertson, formerly assistant superintendent, Port Arthur division, Winnipeg, has been appointed superintendent, Kamloops Division, Canadian National Railways, Kamloops, succeeding George A. Clay, retired on superannuation, according to Bernard Allen, B.C. manager. Mr. Robertson's territory covers the C.N.R. main line between Vancouver and Jasper, including Okanagan Valley.

George A. Clay, 42 years with the C.N.R., started as brakeman at Dauphin, Man., in 1906, following which he became conductor, trainmaster, assistant superintendent and superintendent.

Belgian Orchard

(Continued from Page One)

between orchard methods here and in Europe, according to Mr. Holvoet is "the much more rough and commercial" way we operate. In the Old Country, growers are "much more meticulous," each tree is carefully studied and pruned just so twice a year. However, orchards are much larger and production carried on in a bigger way in Canada.

800 Trees Per Acre

Another major difference is in type of tree. In Europe they cultivate dwarf trees and plant in "cordons," having as many as 800 trees per acre. Here, there are from 42 to 84 per acre. Mr. Holvoet had seen 70,000 trees in 23 acres in an English orchard. Of course, he pointed out, production per tree or per acre cannot be compared to that in Canada, but quality is exceptionally high.

The "cordon" method is a cross between our ways of growing raspberries and grapes. Exceptionally slight and dwarfed stock is planted in rows, say, three feet apart. Branches are severely pruned and then trained down by wires tied to a system of bamboo poles, to grow in one direction along a row at an angle of 45 degrees from upright. Horizontal distance from root to top of tree thus bent over is about eight feet. Thus one might say trees are planted three feet apart in rows spaced nine feet apart.

Low Production

As Mr. Holvoet explained, all foliage is no more than eight feet above the ground, simplifying spraying, pruning, thinning and picking. Also trees will be in production the second or third year, yielding 3,200 pounds per acre. Good orchards here yield 40,000 pounds per acre, in the 15th year, said Mr. Glover. "Cordon" trees live for about 20 years.

The Belgian technician was "much interested and amazed" at the setup of B. C. Tree Fruits, with organized packing and grading and with contact in every market of the world. They do have local organizations in his country. Their markets, however, are only from 50 to a maximum of 100 miles away.

They have not altogether lost the British market, but have experienced difficulties trading in the sterling bloc. Which brought up an explanation of successful post war monetary reform in Belgium. That country's financial position is exceedingly sound, said Mr. Holvoet. They have no difficulty trading with the United States, and thus secure sufficient food, clothing and other supplies.

"Familiarity Breeds Contempt"

"Like everybody else," Belgium was greatly "terrorized under German wartime occupation, but unlike many others, we knew it before," having suffered the same during the First Great War.

The same "familiarity" with European "cold war" has bred similar "contempt." "There is much more talk over here," said Mr. Holvoet, on the Berlin crisis. "We got used to it, so do not talk so much about it. Perhaps we are wrong to get used to it."

He believes Canada lags about 20 years behind the pendulum swinging to the left in Europe. Belgium has kept a better balance than many countries because the parliament is fairly evenly split between labour and conservative parties, keeping "a balance of good sense between right and left."

Nevertheless, Mr. Holvoet is somewhat worried about the future opportunities of his three sons, now five, three and two.

He believes Belgian investments abroad, as in Vernon Orchards, are a very valuable thing under present world conditions.

Of the 290 acres in the Vernon holdings, 220 are in orchard, all but 20 in apples. According to Mr. Glover, production has been on an average of 70,000 boxes during the past few years.

New York is the most populous state in the United States, followed by Pennsylvania, Illinois, Ohio and California, in that order.

Enderby Fishermen Have Lucky Day at Mabel Lake

ENDERBY, July 23.—Mabel Lake has become a fisherman's paradise. Rolly Hill and Russel Hutchinson, two seasoned Enderby anglers, brought in nearly 60 pounds of fish on July 21. Among the catch was a Rainbow weighing 12 pounds 10 ounces caught by Mr. Hill.

Most of the other fish in the catch were greys with some Rainbows. This is the largest catch caught at Mabel Lake this year, but the Rainbow weighed one pound under the largest fish which was caught so far this summer. On the May 24 weekend Mr. Brydon, of Kelowna, landed a 13-pound 10-ounce Rainbow.

William Warous returned to Enderby last week after spending a few days at his former home in Calgary, Alta. While in Calgary Mr. Warous was under medical care in the Calgary hospital. On his return to Enderby he purchased the home of Mr. and Mrs. Drew at the corner of Stanley and Sicomus Streets.

Mrs. Hoffman, of Mabel Lake, has been enjoying a short holiday at Kamloops visiting relatives and friends.

Mr. and Mrs. Elmer Hassard and their two children, of Vancouver, are visiting Mr. Hassard's brothers, Al and Gordon, and his sisters, Mrs. P. Farmer and Mrs. George Jones, in Enderby.

Workmen were busy painting the fence surrounding the Bank of Montreal building on Cliff Street last week.

Mr. and Mrs. Stillwell enjoyed a visit last week from Mr. and Mrs. Dave Moran. While here Mr. and Mrs. Moran also visited Mr. and Mrs. Miller and Mr. Feil.

Miss Marie Beltz, of Winnipeg, Man., enjoyed a visit with Mr. and Mrs. S. Beck last week.

Mr. and Mrs. Charles Herman, of Vernon, have been enjoying a few days' holiday as the guests of Mr. and Mrs. Percy Wambolt. Mrs. Herman is well known locally, having been agent at the Enderby Telephone office for several years.

Mr. and Mrs. Peter Smith and their daughter are visiting H. Stevenson and other old friends. Mrs. Smith was the former Peggy Reid, who made here home here for several years some time ago. While in the interior she also visited her brother and sister-in-law, Mr. and Mrs. Merve Reid, at Chase. On July 13 Mr. and Mrs. Smith, accompanied by Mr. Stevenson, motored to Mabel Lake where they were guests of Mr. and Mrs. Ralph Stevenson.

Rev. Walter Kerksey, of Chase.

Armstrong Funeral For Child Drowned Near Pitt Meadows

ARMSTRONG, July 23.—John Bernard William Mills, grandson of Mrs. W. H. Mills, of this city, was accidentally drowned in Pitt Lake on July 16, and was carried to his last resting place in the Armstrong Cemetery on July 21, following funeral services conducted at Sage and Pottery Funeral Parlors by Rev. G. W. Payne, of Vernon.

"Bunnie," as he was commonly known, was born in Vancouver on March 17, 1941, but spent most of his life with his uncle and aunt, Mr. and Mrs. W. Mills, in Vernon. Mrs. Mills and Bunnie had gone to Vancouver to visit his mother, Miss Jessie Mills, and other relatives. It was while they were visiting at the home of Mrs. Mills' sister, at Pitt Meadows, that the accident occurred. At noon on Friday the young lad was missed and his body was found when they dragged the lake on Saturday morning.

The remains were sent to Armstrong for interment.

Eighty-five percent of the world's birds live in the tropics.

OVERNIGHT SLEEPER TO VANCOUVER...

It's easy to go to Vancouver when you travel C.N.R. Just board the train in Vernon—retire when you please—sleep in restful air-conditioned cars—enjoy attractive meals on the train and arrive refreshed at the Gateway to the Pacific, Travelling C.N.R. between Vernon and Vancouver, you don't have to change sleeping cars.

C.C.F. Convention to Be Held On August 7

SUMMERLAND—Owing to the absence from the valley this month of Bruce Woodworth, of Westbank, one of the prospective nominees for the post of CCF candidate in the forthcoming South Okanagan by-election, the nominating convention of the CCF clubs in the south Okanagan has been postponed from Saturday, July 17 to August 7, local CCF officials announced recently.

Mr. Woodworth is principal of the school at Westbank and is a son of the late J.S. Woodworth, one-time Dominion leader of the CCF Party in the House of Commons.

Another likely CCF proponent who will seek nomination is Chesel Haker, of Peachland.

USE CERTO TO GET 50% MORE Jam or Jelly from your fruit WITH NO RISK OF FAILURES

With the cost of living so high, Certo is grand news for jam and jelly makers. The merest beginner can use Certo knowing her jams and jellies will turn out right. And she'll get one-half as much again from her fruit.

These results are easier to understand when you realize that Certo is actually the natural substance in fruit which causes jams to "jam" and jellies to "jell". It's extracted from fruits, in which it is most plentiful, to make jam and jelly-making quicker, easier, more economical.

THE WONDERFULLY SHORT CERTO BOIL

Certo ends the need for long, tedious, wasteful boiling to make sure your jams and jellies will set. With Certo, jams need only a one-to-two-minute full rolling boil... jellies a half-minute to a minute. This extremely short boil means:

1 A 50% greater yield because your precious fruit juice is not boiled down and down to waste away in steam.

2 A very short time only is spent in boiling and stirring.

3 There's no long boiling to dull the lovely natural colour or spoil the luscious, fresh taste of the fruit. They stay in your jams and jellies.

No Guesswork With Certo Results are SURE with Certo if you follow exactly the Certo recipes provided. Different fruits need different handling. There's a separate kitchen-tested recipe for each one.

BE SURE OF RESULTS. MAKE YOUR JAMS AND JELLIES WITH CERTO. YOUR GROCER HAS IT. GET CERTO TODAY.

LOOK FOR BOOK OF 72 TESTED RECIPES UNDER THE LABEL

A pound of jam or jelly made with Certo contains no more sugar than a pound made the old long-boil way.

NOW...Before your HOLIDAY...See your GOODYEAR Dealer for CANADA'S GREATEST TIRE VALUES

NOT JUST MORE MILEAGE...BUT 34% MORE MILEAGE

THE NEW IMPROVED **GOOD YEAR DeLuxe**

Let your Goodyear dealer check your tires before you start your vacation. If they're O.K., he'll tell you so. If not, he'll show you the new Goodyear DeLuxe tire. Actual road tests prove that it gives 34% more non-skid mileage than the famous Goodyear tire it replaces!

Its deep tread is wider and flatter to grip the road, resist skids in all directions. Stronger Superwall cord gives more body strength. Hunkler shoulders are reinforced for greater stamina.

NOT JUST A NEW TIRE...BUT A NEW KIND OF TIRE!

THE NEW **GOOD YEAR Super-Cushion**

Today, auto makers acclaim Goodyear Super-Cushion as the first new kind of tire in 16 years, and have made it standard equipment on a large proportion of their new cars.

Now Super-Cushions are interchangeable with your present tires.

They ride on only 24 pounds of air—give you an unbelieveably smooth, softer, safer "almost like floating" ride. See your Goodyear dealer about a Super-Cushion "change-over" for your car.

NOT JUST BETTER BLOWOUT PROTECTION...BUT ABSOLUTE BLOWOUT PROTECTION

GOOD YEAR LIFE GUARD SAFETY TUBES

Only LifeGuard actually and unfailingly makes a blowout harmless. That's because its inner air chamber retains an ample reserve of air, enables you to bring your car to a safe, smooth stop, even though tire casing may be completely shattered. LifeGuard fits any make of tire—new or now in service, and frequently outlasts as many as three sets of tires. You can't get better protection to save your life!

Play Safe! See your Goodyear Dealer for a pre-vacation tire check!

REMEMBER—90% OF TIRE TROUBLES OCCUR IN THE LAST 10% OF TIRE LIFE.

GOOD YEAR

GOOD YEAR "Factory-Fresh" BATTERIES

For power at its peak and top efficiency performance, you can't beat a Goodyear "Factory-Fresh" battery. Remember to have your battery checked periodically by your Goodyear Dealer.

Dim Political Future

At a time when the nation's primary requirement is for capable, progressive, yet strong government, Canada appears destined for a period of political manoeuvring that can be ended only by a Dominion election, and then only if one party emerges with a clear Parliamentary majority.

The world situation today is so thoroughly in chaos as to demand from the few countries not ravaged or recovering from the effects of war a government backed by a united people vigorous and willing to take all steps to preserve freedom and decency in international conduct.

Evidence is very clear that in Germany is being laid the basis for future conflict between the east and the west. That conflict need not and probably will not end in another resort to arms. On our side a prerequisite for safety is strength, and a country can have no real strength unless its government—the party in power and the opposition alike—are assured of stability and firmness.

The functioning of the ordinary democratic processes of elections do not in any way disturb the stability of a nation. Indeed, these must function efficiently for national health. But in Canada there is no assurance of these normal operations for months to come.

The Liberal party shortly will choose a new leader. The long reign of W. L. Mackenzie King is drawing to a close, and the path for his successor is strewn with politics. It is difficult to be enthusiastic about the heir apparent for the mantle. Mr. St. Laurent is not young; at best he has comparatively few years of real activity. He is a French Canadian, but not of the stripe of Laurier. He is entirely unknown to the west and his knowledge of the west must be limited indeed; his background is of law and eastern "big" business.

The Liberal party has been in power continuously for almost 15 years. Quite evidently it is due for a period in opposition. That it has won election following election has been as much the result of the faint leadership and archaic policies of the Conservatives as the result of good government and good men in the cabinet.

Now the Conservatives are to change again. Mr. Bracken has resigned, a pathetic figure soon to be as forgotten as Dr. Manion or Mr. Melgren.

Mr. King's retirement and the probability of his successor being unknown to and unappreciated by the West should give the Conservative party its finest opportunity in two decades. Yet the party stands hyphenated in name and sectional in authority—out of the Maritimes, out of Quebec, out of the prairies, strong only in Ontario and for the present in British Columbia.

Enterprise and Self Reliance

Upwards of 42,000 veterans of the recent war have settled on the land, either on full scale farms or on small holdings, according to T. J. Rutherford, director of the Veterans Land Act. This amounts to about 5 per cent of all veterans and applications for allotments or assistance are still being received in substantial numbers. The trend now is towards small holdings which can be operated while the individual is in other employment. This number and the continuing trend is not sufficient to refute the widely held belief that younger persons do not wish to live in rural areas, but it suggests a tendency to seek security from the good earth.

One of the interesting and encouraging features of this movement to the land is that many of the veterans build their own houses under the assistance scheme. For the whole Dominion the percentage doing their own contracting is 28 and in some provinces it rises as high as 80 per cent. The result is that construction costs, the outlay on the houses under the act, are lower than commercial building by a considerable amount. The veteran settler presumably does not pay himself wages for building his own home, but, on the other hand, he does much of the work in his spare time.

That 28 per cent who do their own building has resulted in the average cost of homes coming under the Veterans Land Act being only 35 cents per cubic foot, whereas when the houses are commercially built the cost is upwards of 50 cents per cubic foot. The saving is something more than 30 per cent. Here indeed is something of the spirit of enterprise, self-reliance and vigor that characterized the west in its pioneer days.—Winnipeg Free Press.

All Have Duty

Like every other Canadian, we are glad this Dominion did not have to brave the scarping fire of a general strike of railwaymen. Good sense ruled in these negotiations recently; there was a willingness to compromise, and, true to their long history, the railwaymen's unions displayed a lively sense of their responsibility to their fellow-Canadians.—Kamloops Sentinel.

Animate Existence

Life is made up of gladness and sadness; Something of laughter and something of tears;

And though the clouds are dark in the morning

The brightness of day will dispel the fears.

Just to have leisure, to work as you please, A task well done... an urge to appease.

To listen while someone unburdens a heart, The wisdom to comfort... to know ere we part

Courage is there. To make a fresh start. Of such is life.

A. H. MACKINNON

Deep Creek.

From the FILES of THE VERNON NEWS

Ten Years Ago—Thursday, July 23, 1938

Mayor Harry Bowman on Wednesday commenced negotiations with the Provincial government to allow the unemployed here the use of old internment camp on Mara Avenue as a place to sleep. So far, the men have been occupying the grandstand in Polson Park. Use of the park by transients has been protested by the Board of School Trustees and by the Rotary Club because of the lack of sanitary conveniences.—The North Okanagan Aquatic Association's annual regatta is being held at Okanagan Landing today. Forty-two events including swimming, diving, sculling and motor boat racing are on the program.—Fire which completely destroyed the house occupied by Tom and Hugh Cox on Friday morning also burned almost all their personal property and left the two families of approximately 18 persons homeless.—The city's second annual "Vernon Days" program, scheduled for August 17 and 18 is rapidly rounding into shape. Two days of horse racing and "Klondike Nights" and many other attractions have been arranged by the Kinsmen Club.—Seeded No. 1 Michael McGuire, lived up to all expectations by winning the singles and teaming with Alan France, of Kelowna, to sweep the doubles in the finals of the Junior Tennis Tournament at the Country Club courts on the weekend.

Twenty Years Ago—Thursday, August 2, 1928.

Sitting as a committee the School Board did not accept the tenders for the construction of a building to house the household science classes. The lowest tender was for a sum greater than the board had at its disposal.—Fruit and vegetable areas in the Okanagan and Kootenay have greatly benefited from the spell of hot weather. Vigorous growth has been made and the use of irrigation water has been general for the first time this season.—The monster which inhabits Okanagan Lake has found its way to the arm of the lake which terminates at Okanagan Landing. Mrs. Hodgson at about 10 o'clock on the morning of July 21 went to the lake to get a supply of water. From a knoll above the lake she saw what she thought, was an overturned boat. She urged her horse to the lakeshore where she had the privilege of seeing the Ogopogo disport himself.—Vernon athletes and sporting public are rejoicing over the victory won by Percy Williams, of Vancouver, at the Olympic Games in Amsterdam.

Thirty Years Ago—Thursday, August 8, 1918

The fourth anniversary of the war was fittingly commemorated here on Sunday by a solemn and impressive ceremony in the Empress Theatre at which the large assembly of citizens which filled the building gave expression to their sentiments by again giving united assent to the resolution which has been presented at gatherings on each recurring year of the great struggle. The resolution, which was moved by His Lordship, Rt. Rev. A. J. Doull, Bishop of Kootenay, was as follows: "That on the fourth anniversary of the declaration of this righteous war, this meeting of citizens records its inflexible determination to continue to a victorious end the struggle in maintenance of those ideals of liberty and justice which are the common and sacred cause of the Allies.—The old buildings on the site of the Vernon Fruit Union warehouse have been moved away under the supervision of J. F. Moffat and the ground has been broken this week for what will easily be the largest frost-proof warehouse in the province. In size it will be 80 by 400 feet with a basement the full size of the building. These will be frost proof and will have a storage capacity of 250 cars.

Forty Years Ago—Thursday, July 30, 1908

The S.S. City of Vernon and her new passenger barge accommodated about 200 happy excursionists on Wednesday of last week with a trip up Kalamalka Lake. Mr. Pilkey has had his new passenger barge and boat inspected for passenger traffic and can now accommodate from 200 to 250 people. The marine inspector was pleased to find so complete an outfit for the safety and accommodation of the public.—Constable Gardom, of Endorby, is in town this week rounding up poll tax victims.—A pleasant change in the weather took place last Friday and since that time the thermometer has found its way again to regions considerably below the nineties.—The long expected shovel for the dredge arrived this week and work will be immediately resumed on the canal between Kalamalka and Woods Lakes.—A black bear has been seen by several parties this week between the city and Okanagan Landing and appears to make its headquarters near Knight's slaughterhouse.—The residents of Carr's Landing and vicinity on Okanagan Lake are petitioning the Postmaster-General to give them a post office in the settlement. At present the nearest point where they can obtain mailing facilities is Okanagan Centre, about six miles distant.

Fifty Years Ago—Thursday, August 4, 1898

The cordial reception tendered to Their Excellencies, Lord and Lady Aberdeen, last week by the people of Vernon was of a most strikingly enthusiastic nature and furnished evidence of the most unequivocal nature as to the hearty feeling of loyalty of the citizens to the representative of the Queen as well as the deep respect and esteem in which Lord and Lady Aberdeen are held by all classes of the population.—Harvesting is in full swing and the fall wheat is ripe in most parts of the district. The continued hot weather is causing the grain to ripen very rapidly and the farmers are having some difficulty in getting it cut as men are not plentiful this year.—The half holiday movement went into effect on Wednesday afternoon, all business houses in the city being closed. The inauguration of this popular step was marked by a chorale picnic which was held at Okanagan Lake and which was attended by a large number of employees and their friends.

By DUGGAN

B.C. vs. Prairies

British Columbia is becoming the Old Folks' Home of Canada, says the Vancouver Sun in a spirit of annoyance or resentment. They come to the Pacific Coast province, the Vancouver newspaper goes on, because of the "finest climate and the highest pension in Canada."

The claim to the "finest climate" may be disputed. That is a matter of opinion and the fact that many British Columbians come to the prairies to enjoy and benefit from the invigorating winter suggests that opinion there is not unanimous even as to climate.

The claim to paying the highest pension is not clear cut as the Vancouver newspaper's words suggest. B.C., says the Sun, pays a \$10 cost-of-living bonus in addition to 25 per cent of the basic pension. Being a cost-of-living bonus it is automatically removed should living costs drop. Ontario likewise pays an additional \$10 so that the B.C. "highest" is not exclusive.

However, the accuracy of these claims is a sanctuary matter. The important thing, and one for which B.C. and the Sun should be grateful,

is that very large numbers of persons go to the Pacific littoral and stay there. The climate may suit them; it is, in fact, suitable to elderly persons rather than for youth which is developed by and thrives on the vigorous climate elsewhere in this dominion.

Some of those who go to B.C. undoubtedly are old age pensioners or persons nearing eligibility for that assistance. But most of them are men and women of property and substance who bring their wealth and either spend it there or put it to work to develop the province. And they pay taxes. Moreover they bring to an area made dull and cheerless by soggy misadventure, with the customary effect on its residents, the cheerful outlook, the mental alertness and optimism of the prairie provinces. On the balance both materially and spiritually, British Columbia is the gainer by a wide margin.

The trouble with the Vancouver Sun it that they want only the icing of the cake—Winnipeg Free Press.

Cleaner Comic Books

There is good news from New York for those persons who believe so-called comic books are a menace to the morals of youth.

Association of Comic Magazine Publishers has adopted a "comics code," pledging "good wholesome entertainment or education."

There has been much talk in this province of censorship of these so-called comics and what is called salacious literature. Censorship of any reading material is dangerous and on that score this newspaper has opposed it, taking the view education must do the job.

Now the Association of Publishers itself has come out with a plan that seems good. It has put every association member on his honor to see that nothing objectionable is published. The association will see that none of its members will publish materials "that may, in any way lower the moral standard of those who read them." The code lists what is objectionable—undue sexiness, sympathy for law-breakers, ridicule of courts and police officers, scenes of sadistic torture, vulgar and obscene language, glamorizing of divorce, ridicule of religious or racial groups. There is even going to be an attempt to ban slang, though slang, becoming part of our language, cannot, of course, be termed objectionable.

This should do much to outlaw the bad type of comic book that has fouled so many of our news-stands and contributed, no doubt, to juvenile delinquency.

There will be scrub publishing houses, of course, but when the association's campaign gets under way and the public fully co-operates, it should be comparatively easy to weed them out.

—Vancouver News Herald.

Happy Holidays

This is holiday time and almost everywhere in Canada the truck is on to cottages and wilderness, mountains and seaside. But whether pleasure-seekers go to an exclusive resort or pitch a pup tent under the pines, they need to practice two essentials for happy holiday: care and common sense.

Even the man who wanted to go camping instead of visiting his mother-in-law can have a good time by planning how to spend his fun over his long-awaited two weeks' vacation.

We've all seen people who worked so hard at enjoying themselves during the first three or four days of their holidays that they were physical wrecks for the rest of the time. It is a good idea to take it easy at first—only brief spells in the water and on the beach at the start of the holiday period, a two-mile hike instead of a 10-mile trudge until muscles tighten, a row around the breakwater instead of across the lake that first glorious afternoon and so on.

But more to be pitied than the exhausted would-be "iron-men" are the unfortunates who, bear the scars of vacation mishaps until late in the fall. For the unwary, many perils lie in wait.

Knowing how to spot poison ivy can avert days of torture. Insistence on pasteurized milk instead of

raw milk, a little care in making sure water is uncontaminated and a footproof system of handling meat and other perishable foods will help ward off a spell in a sick-bed. Knowledge of first aid and of artificial respiration may save a life.

Holidaymakers should be carefree but not careless. Then their memories of a refreshing respite from the daily grind will brighten the long 52 weeks until holidays roll around again.

Sailor Be Good

Under Soviet regulations for the behavior of their seamen in foreign ports, Russian sailors must observe much the same standards of conduct as mid-Victorian young ladies, even to being chaperoned when they leave ship.

A recent article in the Baltic Review, published in Stockholm, Sweden, states that the crews of Russian vessels in foreign ports are placed under the most rigid restrictions. They may leave ship only in groups of not less than three, including a creature of the "poltrunk," or ship's political leader, who keeps an eye on them and reports any infringement of the rules.

Canada's first choice!

Favorite Falkland Mountain Trip Now "A Breeze"

FALKLAND, July 27—Falkland residents will be glad to hear that the department are building a road to the top of Mountain Peak, situated directly in front of Falkland. For many years this five and a half mile climb has attracted keen hikers and sightseers. With the new road many local people as well as tourists will be able to reach the summit without effort.

Mrs. A. Crank and her daughter, Mrs. H. Phillips, have been visiting Mrs. Crank's mother, Mrs. H. Phillips, for a few days. Mrs. Crank's mother, who is 85 years old, didn't get well last week, after a long illness. She died on Sunday at night. Old "Boonie" died Friday, very tired and after a long illness.

Mrs. Lela and Loretta Smith, of Princeton, are visiting their mother and Mr. and Mrs. T. Smith.

Constitutions are being extended to Mr. and Mrs. Ted Smith on the birth of a daughter, Linda, in the Vernon hospital.

Mr. Gordon, who was the Falkland delegate to the I.O.O.F. convention at Victoria returned last week. During his week's absence he had his daughter at Duncan.

Mr. Gordon is now at home, having recovered from a lot of V.L. pneumonia.

Mr. Henderson and Tim Archibald both returned recently from Vancouver with new trucks. Mr. Henderson's and the other two are now at home.

Mr. G. Hamann has been a patient in the Vernon hospital for the past week.

Mr. Henderson, of Woodville, is spending his holidays with his parents, Mr. and Mrs. L. Henderson.

Mr. Springley left Tuesday to resume his job at the Dolphin Packing Ltd., packing house in Vernon.

Mr. E. Symonds, the piano tuner at Kamloops has been busy the past week in Falkland and surrounding district. Among instruments tuned were two church organs.

Mr. and Mrs. Churchill returned Monday from two weeks' holiday spent at Adams Lake with Mr. and Mrs. A. Hawes.

Mr. E. Jaap returned to her home in Sask., after spending a month here with her sister, Mrs. H. Phillips.

Anglican Christening for Infant Son of City Couple

Ronald Talbot was the name given to the son of Mr. and Mrs. A. Bradley when he was christened by Rev. L. A. C. Smith in the All Saints Church on Sunday afternoon.

The baby's godparents are W. Askey, of Victoria, Mrs. Sidney Smith and Leonard Assumussen.

Paternal grandparents are Mr. and Mrs. H. G. Bartholomew, of Vernon, and his maternal grandparents are Mr. and Mrs. J. T. Antwerp, of Okanagan Landing.

Following the service Mr. and Mrs. Bradley entertained at a tea at their Vernon residence.

Memorial
Above is the 12 Anna Mahatma Ghandi memorial stamp which will be issued on the occasion of the first anniversary of India's Independence Day, August 15.

Lumby Pioneer Dies in Vernon

LUMBY, July 27.—The Lumby district lost one of its oldest and best known pioneers with the death on Wednesday of last week of Mrs. Claude (Josephine) Quesnel in the Vernon Jubilee Hospital.

The 88 year old woman was laid to rest in the Roman Catholic Cemetery on Saturday morning.

Father Trainor conducted the funeral services which were attended by a large number of friends and relatives and marked with a profusion of floral tributes.

Mrs. Quesnel was born at St. Anselm, P.Q., on July 8, 1860. When her first son, Albert, was 16 months old the family came West.

They were driven on team and sleigh by Frank Young from the nearest railway point at Ducks, which is now known as Monte Creek, to arrive at Okanagan Mission on Christmas Day in 1887.

For over 40 years they farmed at Long Bill's Lake and after the death of her husband, Mrs. Quesnel lived in Lumby with her daughter, Mary Quesnel. She followed a very quiet, retired way of life.

Mrs. Quesnel had four brothers and sisters, all but one of whom settled in the Valley in the early days. Mrs. Joseph LeBlanc, 92, is the only surviving member of the family. She resides with Mr. and Mrs. Napoleon Bessette.

The pioneer woman is survived by eight children: two daughters, Mary and Amy, of Lumby; and six sons, Albert, Leon, Gerry, Teddy and Arthur, all of Lumby, and Oscar, of Pouce Coupe. Also surviving are 12 grandchildren and three great grandchildren. The three great grandchildren are children of Earl Quesnel, Thelma Morrison and Mildred Pollock who are all children of Mr. and Mrs. Albert Quesnel.

SCREEN FLASHES

Mickey Rooney, Brian Donlevy, Ann Blyth and James Dunn are the principals of the vivid "Killer McCoy" which shows Thursday to Saturday at the Capitol. It's the story of a boy brought up by a drunken, no-good father, a boy who battles his way up the ladder to sports fame, is made the pawn of a suave gentleman gambler and, in a terrifying climax, takes a terrific beating and almost throws his biggest fight in an endeavor to save his father and the girl he loves.

One of the finest British productions to date, the technicolor film "Black Narcissus," which comes to the Capitol Theatre on Monday for three days, brings to the screen a story of emotion, drama and the mysticism of a little-known part of Northern India.

It tells the story of a group of Anglo-Catholic nuns who convert the Palace of Mopu, a former harem, in the Himalayas, into a convent. Deborah Kerr is seen as the beautiful, ambitious Sister Clodagh, who is in charge of the mission, and Sabu, who years ago made his name overnight in "Elephant Boy," has a colorful role as the bejewelled young general, Dilip Rai.

"Best Man Wins," based on the Mark Twain story, "The Celebrated Jumping Frog of Calaveras County," will be the attraction at the Empress Theatre, opening tonight, Thursday.

"Tale of warmly human people, and in particular a gambler's man who'd bet on anything, even love, "Best Man Wins" features Edgar Buchanan, Anna Lee, Robert Shayne and Gary Gray.

"The Wreck of the Hesperus," powerful drama of dark deeds and wild rapture is companion feature. In featured roles are Willard Parker, Edgar Buchanan and Patricia White.

Those madcap Hoosier Hot Shots are back again in a new action musical hit, "Song of Idaho" which opens at the Empress Theatre, it is designed for laughs and jump-packed with melodious songs.

Also on the same bill, Cornell Wilde and Lynn Bari are co-starring in "The Perfect Snob."

Band and orchestra instrument manufacturers use an electronic fault-finder to achieve total perfection. The robot's ear is so sensitive it reveals when an instrument is flat or sharp by even 1-100th of a semitone.

Cotton mills of western Europe have been using an interesting amount of American cotton since the war ended.

Kelowna Man Fined \$300 for Supplying Liquor to Girl, 19

Pleading guilty to a charge of supplying liquor to a minor, Eric W. Tasker, of Kelowna, was fined \$300 and costs by Stipendiary Magistrate Frank Smith in District Police Court on Tuesday morning.

The minor, also of Kelowna, was fined \$10 and costs for having liquor in her possession.

These two convictions brought to 13 the total of liquor charges to be heard in Police Court in the past ten days. Of the 13 people fined, five have been residents of Kelowna.

Provincial Constable P. Q. Drysdale told the court that shortly after midnight on Sunday, July 18, he was making a patrol of Sutherland Arms at Okanagan Landing. He saw a car parked right next to the windows of the hotel lobby where the light was "quite bright."

The Kelowna girl was sitting in the car with an open bottle of beer in her hands.

Tasker admitted ownership of the car and the beer. Other beer was found in a case in the car.

"House Warming" for Ok. Landing Couple

OKANAGAN LANDING, July 28.—A number of friends gathered at the new home of Mr. and Mrs. Walter Seales to give them a house warming and miscellaneous shower. A very pleasant evening was held with delicious refreshments served to bring the party to a close.

Miss Phyllis Welch, of Vancouver, is visiting her parents, Mr. and Mrs. P. Welch.

Elwood Baird, of Pilot Mound, Man., spent last week visiting Elwood McKay.

C.M.H. Tenants Say New Rent Reasonable

KAMLOOPS—After conferences with the city's public works committee, the "Tenants' Action Committee" has told the 165 tenants in the Wartime Housing Ltd. subdivision it now "feels that the new rentals are reasonably justifiable."

The circular letter asks the tenants to signify whether they still intend to abide by the decision of the mass meeting June 28 not to pay anything more than the current rental scale of \$22, \$25, \$27.50, and \$30.

The new scale is \$25.35, 28.35, \$31.25 and \$34.15. The tenants have until the end of the month to decide whether they will pay the higher rates or vacate the houses.

The dispute about the rentals goes back to March 15 when city councillors advised the tenants the city's financial position compelled them to ask for a higher annual payment in lieu of taxes from Central Mortgage & Housing Corporation Ltd.

One of the bases for the tenants' protests against the higher rentals had been the substandard state of roadways in the suburb and the lack of sidewalks and street lights.

Assurance was obtained "that the city would take immediate action to rectify the conditions under complaint, such action to consist of grading, rolling and oiling all the roads in the area."

The committee has advised the tenants that it now "feels the new rentals are reasonably justifiable."

Crops on western irrigation projects should do well this summer because there is a favorable water supply in the irrigation reservoirs.

Man., spent last week visiting Elwood McKay.

Rutland Cherries Suffered Heavily

Cherry packing is in full swing again at the two local packing houses after a short lay-off at the time of the threat of a railway strike. Heavy splitting is reported and most of the cherries are going out number three or to canneries.

Growers report that the later cherries are in better shape. No lambs have been packed here as yet. Employees of the KGE, Rutland branch, took a strike vote at noon on July 17. The talk amongst the employees indicates that a large majority are in favor of striking if this wage is not accepted.

The Swimming Pool had to be closed down for several days due to the drain becoming plugged. The entire pipe had to be renewed.

Garry Swellander, of Vancouver, is spending the summer holidays at the home of his grandmother, Mrs. R. Urquhart.

The new office of the Rutland Co-operative Society has now been occupied and provides spacious quarters for the office staff, a board room for the directors, and a built in vault. Machinery for the box factory is being installed and it is expected that some time in August the machines will begin operating.

Mr. and Mrs. Ernie Stafford and family recently left for Kamloops to take up residence.

The careers of cedar poles, atop which are those bucketlike affairs known as electrical distribution transformers, are limited, because of spur marks of servicemen. A pole climbed 75 times becomes unsafe and must be replaced.

In the U.S.A. the yearly consumption of cigarettes is 900 per head, and the manufacture of cigarettes is about 120,000 millions a year.

Rains Delay Deep Creek Hay Harvest

DEEP CREEK, July 27—Rains have held up the haying operations up this past week but have been a great help to root crops in the district.

C. W. Pritchard, of Armstrong, visited Deep Creek friends on Sunday.

Mr. and Mrs. R. Strouger and Miss Helen Polson, of Grindrod, were Deep Creek visitors on Monday.

Howard Calver, who is holidaying from the East with his parents at Salmon Arm has been visiting friends at Deep Creek. Mr. Calver was a teacher here ten years ago.

Rev. C. G. MacKenzie held his usual church service in the hall on Sunday, July 25.

Several Deep Creek girls attended camp at Mable Lake this week under the supervision Mrs. C. G. MacKenzie, of Enderby.

Americans Purchase Big Cattle Ranches In Kamloops Area

KAMLOOPS—The 70-mile-long "cattle spread" in the Cariboo, has been sold by Western Canadian Ranching Co. Ltd., to two Americans, Floyd Skelton, of Idaho Falls, Mont., and W. P. Studdert, of T-Bar-3 Ranch at Phillipsburg, Mont.

The deal was handled by Kamloops Livestock Co.'s Les Turcott, and Hook.

The consideration has not been revealed but cattlemen think it "probably exceeded half-a-million dollars." A report from Victoria says the price was "about \$725,000."

Involved in the transfer are the Gang and its satellite, the Perry. The Gang ranch is in the Chilcotin country, 68 miles northwest of Clinton. The Perry ranch lies across the Trans-Canada highway from the Semlin ranch, just east of Cache Creek. The two properties include 45,000 acres of wooded land, almost a million acres of grazing leases, and more than 5000 head of cattle.

Two-way FM radio is to be used in the 600,000-acre Hugoton, Kan., natural gas field during development because of the cost of installing telephone wires; the gas is to be used to make gasoline and chemicals.

Man Fined \$5 For Assaulting Woman

A fine of five dollars was the penalty received by Nick Huzan in City Police Court on Wednesday morning of last week when he pleaded guilty to a charge of assaulting Dora Kerelchuk by striking her with his fists. The beating took place on Sunday, July 18.

Corporal J. A. Knox stated that the accused was the common law husband of the complainant and that "he gave her quite a considerable beating up with his fists."

At the time of the offense Mr. Huzan stated "she had said bad words to me and I answered." The accused said he was slapped twice and "then she hit me on the head with a palm. Then I hit her." It was the "first time I ever beat her up."

Magistrate Prowse said there had been "a lot of provocation" according to the story of the accused. However, he cautioned the man not to take the law into his own hands.

The accused stated he and the complainant had been living together for nine months and they had been here five months, coming from Saskatchewan. The woman had left her husband "before I knew her." Mr. Huzan had agreed to pay her \$10 a week and from now on he "would have nothing to do with her."

A Plea for Prompt Action In Palestine

Back after conferring with Arab and Jewish officials, Count Folke Bernadotte (arrow), United Nations mediator, urges the U.N. Security Council at Lake Success, N.Y., to resort to quick and forceful intervention to end the Holy Land war. He delivered his special report to the Council recently.

a few hours after his arrival from overseas. Others flanking him at the table in the above photo are: Faris El Khoury (left, wearing dark glasses), Syrian U.N. delegate, and Trygve Lie (hand to mouth), U.N. Secretary-General. Others are unidentified.

Former Resident Of Winfield Dies

WINFIELD, July 28.—The death occurred suddenly Friday, July 16, in Edmonds, Wash., of Mrs. Elizabeth Edmonds, 84, former resident of Winfield, at the home of her daughter and son-in-law, Mr. and Mrs. M. Gay.

Mrs. Edmonds was born in Drayton, Ont., 83 years ago and lived there until after her marriage in 1885, when the family moved to Alameda, Sask. From there they went to Wilmer, Sask., and later to Vancouver, B.C. Twenty-eight years ago they moved to Winfield and took up residence on the property now owned by Mrs. R. White. Her husband, the late John Edmonds, died in 1940.

Mrs. Edmonds continued to make her home in Winfield until two

years ago when she left for Edmonds, Wash. She was a devout member of the United Church and an active worker in the Winfield Ladies' Aid.

Burial services were held from Doy's Funeral Home, Kelowna, on July 20 and interment took place in the Kelowna Cemetery. Rev. Patrie officiated assisted by Rev. E. Fleming.

Surviving are one daughter, Mrs. M. Gay, Edmonds, Wash.; four sons, George and Dave, Winfield; William, of Eldersley, Sask.; Walter, Wilmer, Sask.; 17 grandchildren and 10 great-grandchildren.

Foochow—name of the capitol of the Chinese province of Fukien—means "Happy Region."

Liquor Plebiscite Will Be Held In Rutland, Benvoulin

KELOWNA—For the third time in about 16 years, a plebiscite will be held in the Rutland district August 11. While a similar plebiscite will be held in the Benvoulin area on the same date. Although it could not be ascertained where the beer parlors would be located if residents in these two communities vote in favor of selling beer by the glass, it is understood a 20-room hotel, costing approximately \$90,000 is planned for the Rutland community. Liquor plebiscites held in 1932 and in 1939 were turned down by Rutland residents.

Review, No Parking Privileges In Down Town Kamloops Zone

KAMLOOPS—Before parallel and one-hour parking become the rule in the downtown area August 1, city councillors intend to arrive at a firm policy on "No Parking" privileges.

Meanwhile they propose to review, each on its merits, the privileges already in existence.

There were indications during a city council discussion recently that Alderman J. R. Bromley's public works committee favors a policy that would limit "No Parking" privileges on Victoria from First to Sixth to what he termed "emergency" vehicles. Just what is meant by this term was not explained.

However, it was made clear councillors will not give special parking privileges to business firms, even those which declare automobiles to be essential to the conduct of the business. Whether this ruling will be applied to taxicabs is not clarified.

The United States Forest Service estimates that three-quarters of the timber in Alaskan coastal forests is within two and one-half miles of tidewater.

Luigi Boccherini, Italian composer, wrote 125 quintettes, 91 quartettes, 54 string trios, 20 symphonies, and cello and violin pieces.
